Vol. XXXII, No. 2

What are YOU doing about League Membership?

Are your friends wearing the R.S.L. badge?

The League is aiming to increase its membership, and is asking that members lend a hand—not only committee men, but all members.

The desire is to spread the asking over every member of the League in W.A.

It is getting close to the end of the half year, and if one is to collect those outstanding 1953 membership subscriptions, it has to be now or never. Next month will be getting too late.

In most districts there are men who can be “rooped in” easily enough—if their friends will only make the approach.

The best source of supply to be tapped has always been one’s own friends, and difficulty about asking a friend to join the League need not exist today. Money is not so scarce, and the time when a subscription of 15/- meant something has gone, perhaps never to return. It is “small potatoes” today, and nobody really misses it, however reluctantly it may be extracted from the pocket at the time.

WARERNING THE BADGE

Most returned men would like to be members of the League. Its badge confers something on the wearer. Worn by the best of people, it adds to the wearer’s dignity, whoever he may be.

Conversely, the absence of an R.S.L. badge from one’s lapel—consistent absence, that is—writes a man off, as it were, more markedly than one should be as a returned man. It gives the appearance of one having a grudge, or more than a trace of meanness.

A badgeless man finds himself constantly on the defensive. Further, if a man is mean with his fellow returned men, then he really has a shortcoming. At least, he hardly measures up to the standard.

The League needs more members—goes without saying.

Now for your responsibility, if you will shoulder it.

Have a look around in your district. Do you know of any old member who has failed to renew—Who is not wearing a 1953 clip? Can you see him and get him to renew before the end of the month?

No excuses, now! Can you—or aren’t you willing?

It would be a feather in a member’s cap to get someone to renew for the current year, and it can be done. A tactfully worded request or reminder, and in a majority of cases the subscription would be forthcoming; but the request or reminder has to be put forward, and it may be that you are the person best able to do it.

WILL YOU TRY?

The State President and Executive, to say nothing of your own sub-branch committee, would appreciate it if you did — and one last request—let the State Executive know the result of your sub-branch or personal efforts.

UNITY

In its representations to the Governments, the League stands stronger, of course, if it is to be remembered that the support of the general body of returned men is its desire.

Not that the actual membership figures would disclose at any given time the precise number of returned men supporting the League. The great majority of those outside the organisation are as keen as those within the movement (or nearly so, anyway), but they have not found it convenient to join, or, in too many instances, they have not been asked.

Too many League members believe that the non-member hangs back only because of the 15/- required, whereas hundreds of men would pay the 15/- tomorrow if asked to do so personally, but the approach has not been made.

Too many non-members refrain from making the approach themselves in a dislike of seeming to want to butt-in, or of wanting something from the League. There are more people in these two categories than is generally appreciated.

A HOUSING PROBE SUCCESSFUL

When the Housing Committee reported to the R.S.L. Executive on May 13 it was mentioned that a complaint had been received in respect of an ex-service man in Wagin.

This was to the effect that a Commonwealth State Rental Home, which had become vacant, had been allocated by the local committee to a New Australian, and that eligible ex-service men had been overlooked.

The Housing Committee took this matter up with the Commissioner immediately, and the report showed that the decision of the Wagin local committee had been disagreed with, and consideration is now being given to the claims of ex-servicemen.

Federal T.P.I. President Greeted In Perth

Mr. Wingate is seen (above) with the State President (right) and the State President of the T.P.I. Association (Mr. P. W. Quinn) left.

Just before leaving for England to attend the Coronation as a representative of the League, the State President (Mr. F. Chaney) had the pleasure of greeting the Federal President of the Totally and Permanently Disabled Soldiers’ Association (Mr. R. Wingate).

TRAVEL CONCESSIONS

A move for extension of travel concessions, initiated by Mr. Frank Guthrie, M.L.A., was successful, as the following letter from the Under Secretary of the Premier’s Department indicates:

Dear Mr. Guthrie,

With reference to your request for a deputation to wait on the Hon. Premier concerning travelling concessions to totally and permanently incapacitated ex-service men, I wish to advise you that the Hon. Premier has approved of the above mentioned extensions to the existing concessions to those who are members of the Totally and Permanently Disabled Soldiers’ Association.

(a) A member of the Association who lives on a rail route in the metropolitan area will be granted an open pass on all Government owned tram, bus, and trolley bus routes in the metropolitan area, in addition to the usual rail pass from his home station to the city.

(b) A member of the Association resided in the metropolitan area will be granted one return trip to the country annually, the question of needs not to be considered.

Sir William McKell’s Appreciation

Writing to the Executive of the R.S.L. the following paragraph in a letter from the gallant Governor-General, Sir William McKell, will be of interest: “Now that I have relinquished the office of Governor-General I should like to take this opportunity to express my deep and sincere thanks to the members of the Federal Executive of the R.S.L. and A.I.L.A. for the very ready and thoughtful co-operation they gave me during my term. I shall never forget their—outstanding courtesy and kindness to me on innumerable occasions.”
Attended by 200 residents and friends, the commemoration service was held in the hall grounds, and was led by Mr. A. Milton. The address was given by the sub-branch president (Mr. E. O. Davies). Following the service the Women’s Auxiliary served tea in the hall, which had been decorated with flags and vases of flowers.

75,000 were on parade

After a “trip” extending over 12 months during which they covered 14,000 miles, with their vehicles the American Legion marched along Fifth Avenue. Entertainment opened at 10 a.m., and many streets in New York were wholly or partially closed for the occasion. The Convention was held in Times Square, and he was the only Australian among 3,700 delegates, with their wives and friends—in all 10,000—were seated in the gardens of the square.

Mr. and Mrs. Cartwright’s memories of New York include spending their 51st wedding anniversary at the top of the Empire State Building—1,472 feet up; they went up in three lifts, the first reaching the 60th floor in 60 seconds! This building was sold two years ago for $22,000,000 pounds.

TV is very popular in the U.S., says Mr. Cartwright, 20,000,000 sets being in use—against 2,000,000 in New York. New York has 289 miles of “subway,” with 310 stations used by 7,000,000 people a day.

The UN building is 40 stories high, has 5,300 windows, and an underground car-park for 1,300 cars.

Keen Debate Anticipated

The question of Anzac Day observance will be keenly debated at the meeting of the Cot-teloo sub-branch on July 7.

The motion to be debated urges that Anzac Day should be observed, unchanged, as in the past. However, it was felt that every member should be given the opportunity of stating his views on this contentious subject, and notice of motion was given at the May meeting that this motion be reconsidered and in future Anzac Day be observed until midnight, and that hotels be allowed and all sports permitted.

Many members may feel that the change is the only Day of Remembrance is to be desired, and others will no doubt approve, but every opportunity for a full discussion will be given at the full meeting. It is hoped that all members will go along so that the instructions to be given to the State Congress delegates can be had, and they should vote on this subject will be, in fact, the will of the majority of sub-branch members.

Special Vote Of Thanks

A special vote of thanks is to be recorded in the minutes of West Leederville-Wembley-Flor- eat Park sub-branch regarding the able manner in which Mr. C. C. Bolten conducted marshaling duties on Anzac Day, and for his efforts in painting the fence round the Memorial.

At the May meeting, also, a new member, Mr. D. J. Batter, formally took up the Royal Corps of Signals, was welcomed from overseas.

Satisfactory progress is reported with the building of the Memorial Hall and a very pleasant evening was enjoyed on May 18 when a games shield was won from the ladies’ auxiliary.

“SUNSET” APPEALS FOR BOOKS

There are over 200 inmates of “Sundown” who use the Library every week. The book per day it will readily be seen that after a year or so they will acquire a particular type they enjoy. It is therefore, essential that the books be changed periodically and the help of the public is essential. This is an appeal to all sub-branches to give, or collect from their friends, all the books they feel disposed to lend and the women make use of the Library.

When one considers the hardships these old pioneers have battled through, and the valuable work they have done in the State, one cannot help feeling a strong desire to keep them well supplied with books.

There is no better way for the veterans and thrifty members to contribute to this appeal. It is a wise investment. The following persons were responsible for the successful committee: Mr. G. Donald, J.F. treasurer, Mr. W. Lewis, H. A. Carter, P. O. Welch, A. Wood, H. Mullen, W. J. Mcllstock, A. Stobie, and Mr. W. Lord.

New R.S.L. Hall Opened

The official opening of the new R.S.L. Hall of the Margaret River sub-branch took place on May 23.

There was a large gathering of members, their wives, and visitors, with Mr. C. Milroy and Mrs. M. Milroy, Mr. and Mrs. Quinn (T.P.I.), Mr. J. G. Collins, and Miss L. E. Davies (T.P.I.), Mr. and Mrs. Quinn (T.P.I.), Mr. G. Donald, J.F. treasurer, Mr. W. Lewis, H. A. Carter, P. O. Welch, A. Wood, H. Mullen, W. J. Mcllstock, A. Stobie, and Mr. W. Lord.

On May 24 wreaths were laid at the Cenotaph and the statue of the Anzac soldier to commemorate Empire Day, and on the evening of May 25 the annual dance was held when the following guests were received by the President: Major-General E. Barrmore, C.B.E., Wing Commander E. C. Saunders, Counsellor J. T. Tandy, M.M., Mr. E. C. Davies (R.S.L.), Mr. and Mrs. D. J. P. Driscoll, Mr. and Mrs. Quinn (T.P.I.), Miss L. E. Davies (T.P.I.), Mr. and Mrs. Quinn (T.P.I.), Mr. J. G. Collins, and Miss L. E. Davies (T.P.I.), and Miss L. E. Davies (T.P.I.).

The R.S.L. Hall became a popular meeting place for dances, concerts, and other events.

GIFT PARCEL APPRECIATED

Writing from the British Forces Guard Unit, B.A.O.R. No. 40, Luneberg, Germany, on May 17, Lieut. J. Walker, W.K. 700154, has the following to say in a letter to R.S.L. Officers:—

“I wish to express my deep appreciation and thanks for the parcel I received from the日耳曼尼亚, a representative of Forces Comforts Fund. More to do appreciate the gift because it is only a small part of your work, but I have only been in the country seven months before being transferred from the Australian Army R.A.I. and sent straight to Korea (I had volunteered to be recalled) I felt a stranger to the local people, but the parcel was a great comfort. I look forward to your visits, that I realise now that I am no longer a stranger but I am with you, and to see your friendly faces. I would like to thank you for your work.”
THE LISTENING POST

The Price of Liberty is Eternal Vigilance

JUNE, 1953

STATE CONGRESS

THE 37th Annual State Congress of the League will be held in Anzac House during the week commencing July 21, and it is hoped that every sub-branch will endeavour to be directly represented. THE system whereby sub-branches are enabled to appoint proxies to act on their behalf at Congress, falls far short of the personal direct representation from the Sub-branch. One delegate, with six votes, is not nearly as good as six delegates with one vote each; in other words, six opinions are better than one.

CONGRESS is the parliament of the League, and it is the one occasion during the year when sub-branches meet, and through their representatives decide League policy for the ensuing year. The State Executive is elected by Congress, and it is the function of the Executive to carry out the Congress decisions. It is all important therefore that all decisions by Congress be wisely made, based on sure information and careful study of the problems by delegates before they come to Congress to vote. It is for this reason that the Constitution provides that the Congress Agenda items shall be in the hands of sub-branches one month prior to Congress. By this means sub-branches are enabled to meet and discuss the items, and so prepare their delegates to vote according to the decision of the majority of the sub-branch members, who will have had the opportunity of expressing their views on the various items which Congress will be asked to decide.

A glance at an Agenda will show that State Congress will be called upon to decide on matters not only of a domestic nature, important to the League, but also on many matters which have national implication. Such matters as defence, immigration and repatriation are examples of matters of a wider nature which Congress will discuss, but not the least important are such matters as affect the domestic affairs of the League involving administration, trading subsidiaries, and last, and very important—the policy which will be followed as to Anzac Day observance. Although Anzac Day is governed by an Act of Parliament, it would only be at the instance of the League that any alteration to that Act would be made.

This last item alone illustrates the importance of the Congress, and emphasizes the necessity for every sub-branch as far as practicable to send a direct delegate to Congress with specific instructions as to how to vote on the various matters presented, so that the decisions arrived at may be truly representative of the mind of the majority of the members of the League.

A great deal of the legislation affecting ex-service personnel which appears on the Statute books both State and Federal, has arisen from decisions made at League Congresses from items emanating from sub-branches, some of them in remote country areas. Let no member of the League, therefore, underestimate the importance of an Annual State Congress and may the forthcoming Congress be truly representative of all sub-branches, both country and metropolitan.

Rockingham Elects New President

Owing to the resignation of its president (Mr. E. M. H. Harrison, M.C.) under medical orders, it was necessary to fill the vacancy at the May meeting of the Rockingham sub-branch. Mr. Paul Buddie, schoolmaster, from East Rockingham was elected to fill the vacancy.

He needs no introduction to men of the 9th Division whose exploits he lauded in poetry in his seven years of war service in many places overseas and in all ranks including his commissioned life.

Paul Buddie is well known in three spheres, education, music and literature, having added a worthy contribution to each. He has had wide executive experience in many activities. He had had no previous executive office with the Rockingham branch, as he was only recently transferred to his present school from the Bushell, Cawnpuram and Margaret River sub-branches.

Mr. Campbell, in accepting the charge, expressed a hope that by the time he went out of office the charter would hang in its proper place—in a home of its own.

Capel Receives its Charter

The presentation of its charter to the Capel sub-branch took place on May 22, and in this picture Mr. C. Kleeman (left), is seen handing the charter to the president (Mr. A. Campbell).

Jerusalem, Old City, 1942

Hustling carfree school boy With his satchel on his back.
Brom'nd Australian soldier With his heavy laden pack.
Ragged Arab rascal With no worries on his mind.
Winding, cobbled passage-ways
And slippery flight of steps.
Every nook and cranny
Fill'd with most peculiar wares.
Mystic Mosque of Omar
And the Christian Holy Shrine.
The rugged wall Old City
All these places strong confine.
Muslim, Jew and Gentile
Rubbing shoulders in the street
Clatter of the wooden clogs
And the pat of naked feet.
Bearded, coat'd ancient Jew
Praying at the Wailing Wall.
From the quaint domed miner's house
We hear the Moslem's call.

BETTER PLANS — BETTER HOMES

A modern home is only as functional and attractive as the plans on which it is built. Good design is no accident — it is the result of painstaking effort and years of practical experience. You’ll be wise to entrust the planning of YOUR War Service Home to R. M. Neal and Associates who are acknowledged as designers of W.A.’s most distinctive homes and other buildings. An added feature of their unembarrassing and streamlined planning service is the attractively modest fees. R. M. Neal and Associates are situated at 9 Malcolm Street, Perth (opp. Public Works Dept.) and their telephone numbers are RAS13 and RAS195.

To the Editor...

ABORIGINAL SOLDIERS AND CITIZENS

Sir.—The April issue of "The Listening Post" published a letter, signed "Am I Right?" setting out reasons why full citizenship status should be granted to the aboriginal soldier. The management committee of my Sub Branch takes strong exception to the views of your contributor and have requested me to reply to his letter.

According to "Am I Right?" citizenship status should be denied to aboriginal soldiers because:
(a) Of the difficulty such men would have in establishing their bona fides when they have trouble in their hotel.
(b) "The least cultured" among them would demand service from expensive hotels and restaurants.
(c) It would be an injustice to the precipitators and caterers if they are compelled to serve these people, contrary to their business interests.
(d) Aborigines joined the army, "ranked with a sense of injustice", either to enjoy better pay or amenities, or because their fear that any conqueror would treat them more harshly than white people do, and such motives do not justify giving them preferential treatment over other aborigines.

His final statement that "preference to returned soldiers has always been subject to other factors being equal", is, of course, sheer nonsense.

We remind "Am I Right?" of two objects of the League, set out in its Federal Constitution:

1. To perpetuate the close and kindred tie of friendship created by mutual service in war and the recollections associated with that experience, and to maintain a proper standard of dignity and honour amongst all sailors and soldiers.
2. To guard the good name and preserve the interests and standard of returned sailors, soldiers and airmen.

The maintenance of these objects is vital to the continuing strength and influence of the League. The men who created our organisation and laid its constitutional foundations in such Australian aborigines who serv

The following resolution passed at the last State Congress: "That all aboriginal ex-servicemen be given full citizenship rights on application and proof of such service and honourable discharge." When this resolution is not done as much by the League policy regarding citizenship status for aboriginal ex-servicemen is defined in the fol

FOR THE CHILDREN.

At the annual dinner of the Goongawangtey Sub-Branch held on Saturday, the 18th May, the Secretaries branch was taken up in aid of the Children's Annual Christmas Tree and the following sum of £14/10/- was the result.

T. W. PLANK, President, Highgate Sub-Branch.
The acting State president Mr. E. O. Davies, represented the League at the Military Review and Coronation Day March on June 2, and took his place among other dignitaries on the dais, where his Excellency, the Governor, took the salute.

Recently visiting the Kalgoorlie and Coolgardie sub-branches on League business was the State secretary Mr. John Chappell. His contact with sub-branches so far from League HQ. should have a beneficial effect.

Seen in Perth on a flying visit during the month was Lt. Gladstone, secretary of Kojoopil sub-branch. Lin paid a visit to League headquarters to discuss matters concerning W.S.I.S. and reported favourably on sub-branch activities.

A very welcome visitor noticed at the Club during Coronation week was the Bishop of Karratha, (The Rt. Rev. C.E.B. Muschamp.)

Another visitor was Gordon Plumb, D.E., resplendent in his R.A.A.F.-uniform with decorations, medals etc. attached. Gordon is the son of Bill Hunt a past president of the League.

Arthur Griffiths is the endorsed Liberal and Country League candidate for the Suburban Province by-election to be held on Saturday, June 20.

A member of Colac Sub-branch and a trustee of that sub-branch, has been made an honorary member of the Australian diplomatic service, before he commenced to see yet another phase of political life as a member of Parliament and Minister of State. The research for the Official War History and the writing of this volume were, however, completed before he occupied his seat. Among his qualifications for the present work, besides his training in research, was his experience as a senior official of the Commonwealth Government both at home and abroad. His study of the records was aided by his own first-hand observation of the major events and personalities of whom he writes.

A graduate (M.A.) of the University of Western Australia, his published historical and political works are Black Australians and Work of Security.

Auxiliaries SERVICES RENDERED
At the annual dinner held by the Growangup sub-branch on
Saturday, May 30, 1953, a grateful tribute was paid to the services
rendered to the sub-branch by Mrs. Rowe, secretary of the
Women's Auxiliary who had recently completed 184 years con-
tinuous service.
She was presented with a Certificate of Service and the dinner
was presented with a silver plaque recognizing her service from
June 1, 1938 to December 31, 1952.

Two Further Teams

The Controlling Committee has included two further teams to dispense with the bye in each zone. Now in the East Zone, South Belmont will oppose the bye team in each round and will arrange to play its first and second round matches with City of Perth and Mt. Lawley; Inglwood respectively by 30th June, 1953.

The further rounds will be South Belmont v. Kenilworth, South Belmont v. Darling Range, South Perth v. South Belmont, Victory Park v. South Belmont and South Belmont v. Gloucester Park.

In the West Zone Claremont will oppose the bye team in each round and will arrange to play its first and second round matches with West Leederville-Wembley and Cottesloe respectively by the 30th June, 1953.

Correction

The Darling Range Sports Director is R. Thompson. The address of E. T. Thompson is West Leederville is 37 Cambridge-street.

The "Thunderbird" Squadron of the Royal Canadian Air Force has carried out a successful air lift service from North America to Korea for almost 21 years. Since its inauguration in July, 1950, the air lift has flown over 4,300,000 statute miles back and forth across the Pacific and has carried a large quantity of passengers and freight.

The squadron—officially known as No. 426 Transport Squadron—was based at Dorval outside Montreal when it received orders to move to McChord air base near Tacoma, Washington, to begin its trans-Pacific operations. The squadron flew its own airplanes to the West Coast, moving its own ground crews, administrative staff and servicing equipment by air.

At first the schedule was rushed with a flight a day and only six aircraft available, but as the number of aircraft increased the pressure eased. This was during the early period of the Korean War when United Nations forces were so hard pressed. Requirements have since been reduced and in the last few months the squadron has been flying about eight round trips per month.

The officers and airmen—and airwomen too—of the squadron insist that their task on the air lift is purely routine. As Canada's Defense Minister, Brooke Claxton, said, "The most notable fact of the operation is that they actually have reduced it to such routine proportions."

ATTENDANCES AT MEETINGS PLEASE OFFICIALS

Excellent and growing attendances at the Osborne Park sub-branch meetings are proving very encouraging to the officials of that branch.

Anzac Day was commemorated with good support from ex-servicemen, a St. John Ambulance contingent including cadets (male and female), boy scouts and cubs, with the Coastal Scottish Pipe Band providing music. The Mt. Hawthorn Salvation Army Band provided music during the service, at which inspiring addresses were given by the Rev. A. Inwood and the sub-branch president (Mr. E. Brooks).

Following the service and before tea was served, the president of the local St. John Ambulance Association presented to the sub-branch a framed portrait of Her Majesty the Queen, in appreciation of R.S.L. assistance.

The presentation of a certificate of service to Mr. H. Float followed, and the president took the opportunity of elaborating the recipient's service to the League over a number of years. A few words of sincere thanks from Mr. Float were evidence of his regard for the honour done to him, and of his determination to go on with all the enthusiasm he has shown in the past.

Mundaring To Decide On Building

All members of the Mundaring and districts sub-branch are being asked to note that, at the monthly meeting on July 27, a final decision is to be reached as to submitting plans to the Mundaring Road Board for the proposed sub-branch building. All financial members are being requested to attend this meeting. At the meeting on June 22, a balance sheet and report on the Coronation Debutantes' Ball will be read.

THE 44th REMEMBERS

A good Anzac Day parade of the 44th Battalion was spoiled by threat of rain, but a parade state of 80 can be reported and several who could not do the distance gathered at the assembly point.

To mention especially a few of those present, the following must be included: Charlie McIntosh, carrying the flag of the old Battalion and Brick Hanton of the young 44th; Jim McConnolly and Tom Manuel (Albany), Eric Mercer (D Dagin), Dick White (past president), Jackie Homewood, Andy Boland, Cuttie Horner, and Gerry Fountain, our secretary (on transport of Old Diggers from "Sunset").

Gay Birthday Celebrations
A very special day in the his-
tory of the women's auxiliary of
the Osborne Park sub-branch
was their second birthday, cele-
brated on May 9.
The hall was gaily festooned
with coloured balloons, red, and
white and blue streamers inter-
spersed with lengths of tinsel.
Upon the main table stood a
beautifully iced two-tier cake,
topped with a most wonderfully
made crown, with tiny red,
white and blue ribbons. This
was the work of Mrs. Jock
Glass, who has often showed her
great art in making and icing
cakes.
Those present included the
State president of the Women's
Auxiliaries (Mrs. Stockmin) and
the State secretary (Mrs. Ames)
and representatives of many
metropolitan auxiliaries. All
agreed that the supper served
was really wonderful. Musical
items were given by Mrs. Dixon
and Mr. and Mrs. Vern Butt.
The music and the floor were ex-
cellent, and by common consent,
it was a most enjoyable even-
ing.
The State President and secret-
tary were welcomed by Mrs.
Frank Stephens, who reviewed
the work of the past 12 months,
and both Messrs. Stockmin
and Ames replied. The two
bottles on the cake were lit in
the darkened hall, and then fol-
lowed the cutting ceremony, and
the presentations of bouquets to
Mrs. Stockmin by Mrs. Glass,
and to Mrs. Ames by Mrs. Frank
Guelfi.
As the birthday of Mrs. Glass
was on the same day, the oppor-
tunity was taken of making a
presentation of a wall vase to
her, and this was carried out by
Mrs. Stephens, Mrs. Glass
responding.

PROGRESS AT
ROCKY GULLY
A sub-branch which reports
substantial growth over the past
12 months is Rocky Gully.
From an initial attendance of
13, membership has doubled,
and very encouraging reports
were received at the first annual
meeting in March.
Officers elected were: President,
Mr. S. E. Evans; secretary, Mr.
W. L. Mitchell; and treasurer,
Mr. K. McDowell.
Work has commenced on the
building of the proposed R.S.L.
Hall, by means of "busy bees."
Already, by falling timber and
splitting fence-posts, a substan-
tial sum has been raised towards
the cost of materials.
It was on the site of the pro-
posed hall that the Anzac Day
service was, held, conducted by
Mr. J. J. Watson, of Mr. Barker,
during which a number of
wreaths were placed at the foot
of the specially erected flagpole.
The Returned Sailors', Soldiers' and Airmen's Imperial League of Australia (W.A. Division)

AUDITORS REPORT.
The President and Members, Returned Sailors', Soldiers' and Airmen's Imperial League of Australia, (W.A. Branch Inc.).

PERTH, W.A.

Dear Sirs,

Annual Audit.

I desire to report the completion of the Audit of the Books, Vouchers of the League and its activities for the year ending 31st December, 1952, and have pleasure in attaching the Consolidated Balance Sheet together with supporting Statements-

(a) General Fund - Statement of Income and Expenditure.
(b) Anzac Club - Trading Account.
(c) Anzac Club - Profit and Loss Account.
(d) R.S.L. Hostel - Profit and Loss Account.
(e) Faversham House - Statement of Income and Expenditure.
(f) Statement - "Listening Post."

The following comments are submitted for your information and in respect of the above Accounts,

BALANCE SHEET: Your Executive decided on the form of Consolidated Balance Sheet presented which differs from the previous Balance Sheet submitted by the omission of details showing the Assets and Liabilities of the various subsidiary branches.

ACCUMULATED FUNDS: The Balance Sheet as at 31st December, 1951 has been increased by the inclusion of an amount of £2,021/10/10 representing Faversham Accumulated Losses which have now been included in the current assets of the League.

It will be noted that the Anzac House Accounts have now been incorporated with the League General Account. This has been necessary to make more funds available to the General Account.

The excess of Income over Expenditure for the year was £5,409/15/6 as compared with £1,093/7/3 for the previous year. The main item contributing to this lower surplus is in the new combined Anzac House and General Accounts that shows a deficiency of £2,253/2/6 as against a combined deficiency of £9,161/11/7 for the previous year. - Extensive repairs to the Ballycroy Club were an important bearing on this result.

TRADING ACCOUNTS: Following are the summarized results of the Trading Subdivisions of Anzac - Club - Surplus 1951, £887/18/6; Surplus 1952, £1,205/15/3.

ANZAC HOUSE BUILDING EXTENSION FUND: The Anzac House No. 2 Account has now been incorporated in this Account.

The surplus from Dances and Interest over expenditure amounted to £1,691/5/2 and the balance in this fund is now £15,384/7/7.

It is noted that Architects Fees and Disbursements totaling £545/6/6 was expended in connection with the proposed roof.

CONCLUSIONS: It would appear from the result of the year's operations that the finances of the League will require close supervision during the incoming period. The costs of administration and the supplying services to members is gradually overhauling the surpluses from the past Auditing activity. I would like in conclusion to thank your Accountant and Staff for the courtesy and assistance during the course of the Audit.

Yours faithfully,

LISTENING POST: A surplus of income amounting to £117/7/7 for the current year was recorded against a deficiency of £279/4/5 for the previous year.

This is accounted for by the non-issuance of the publication for a few months during the change of Printers.

SPECIAL FUNDS: W.A. AGED S. and S.A. RELIEF FUND: The Balance in this fund has decreased by £202 as a result of Payments made to application for relief.

Yours faithfully,

M. MITCHELL, F.C.A. (Aust.).

Auditor.

May 5, 1953.
Accounts—continued.

"LISTENING POST" JOURNAL.

Revenue account for the Year Ended 31st December, 1952.

Pertinent Pars On Parade
(by Filbee)

There were just as many careless drivers 50 years ago, but the horses had more sense.

The way some motorists drive, you'd think they were late for their accidents.

And have you noticed, after reckless speeding, how some motorists proceed at a funeral pace?

New Korean proverb: Truce is stranger than fiction, but Peace appears to be more truce-end ready.

"Marriages are only happy when wives take an interest in their husband's affairs"... but not a controlling interest.

Did you hear of the husband who insisted on fixing the cuckoo clock? The cuckoo how 'backs out and asks "What's the time?"

Among the chief worries of today's business executives is the larger number of worthless on their payrolls.

There is no doubt that the Reds want peace... a piece of China, a piece of Korea, a piece of Indo-China and a piece of Malaya.

Imagination: Something that stays at home with the little woman when her husband has gone out.
