POPPY DAY

A member of the WA Police Force in the South Eastern suburbs started a collection to replace the money stolen. As a result of their generosity they recently presented Alby with some $2800 donated from their ranks.

Like many of you I was appalled, disgusted, angered but above all saddened to learn of the Poppy Day snatch and grab of a collection tin from 93 year old war veteran Mr Alby Passmore.

Mr Passmore has for many years collected on Poppy Day at the Gosnells shopping centre. This year he was subjected to a crime he could not have anticipated nor contemplated. His collection tin was snatched from his table and the offender bolted. Unable to chase he could only watch as his mate Don Blanchard tried to give chase but fell.

The Coles employee who did give chase and caught the offenders was beaten and the offenders escaped with the tin containing several hundred dollars. The employee was injured but I understand has now recovered and I will write to him on behalf of RSLWA to thank him for his endeavours and wish him well.

The money was not important compared to the wellbeing of Mr Passmore and those who assisted him.

This was a crime he should never have been subjected to and a crime which should raise the hackles of every decent law abiding Australian.

I believe Alby is entitled to the mate ship, support and comfort of knowing that we in the RSL stand with him share his anger at this unacceptable experience.

Should he have to attend court to give evidence against the accused then I believe a strong showing of RSL members, well dressed and wearing their medals, should attend with him to show him, his mates, his sub-branch and the broader community that he does not stand alone.

This was a despicable crime against an aged digger. Indeed not just against an aged digger but a crime against a community tradition and a community standard.

A crime that we should not allow to be glossed over.

It is unacceptable to us that one of our aged, respected and dedicated members was so treated and so too it should be unacceptable to our community.

RECOGNITION OF YOUNGER VETERANS

The 12 months since election to the position of State President have flown. It has been a busy year with some runs on the board but a lot more to chase.

RSLWA is in good shape with strong work being done in and around our sub-branches and membership base. This is being complemented by the work of Phil Orchard and his team at ANZAC House. Numerous positive decisions have been taken which will carry us into 2014.

Importantly these include the decision to acknowledge our younger veterans by inviting them to lead our March next year.

This will be an Australia wide ANZAC Day RSL initiative and each State RSL has agreed that we need to take this opportunity to recognise all who have served post-Vietnam through various deployments from Somalia right through to Afghanistan.

While the logistics are still being worked through it is important to provide this recognition and acknowledgement next year because the followings years will see the strong focus on the Centenary of ANZAC.

If this recognition and acknowledgement of service is not shown next year it just may not happen at all. Above all the RSL must not repeat the cold shoulder offered to Vietnam Veterans and as always we must earn from our mistakes of the past.

VALE

It is of great sadness that we learnt of the passing of Mandurah Sub-branch stalwart Wally Holding.

Wally served in the 2/4 Machine Gun Battalion and was taken prisoner when Singapore fell. Like so many of his mates he suffered on the Thai/Burma railway and in Changi prison as a POW.

He joined the RSL early after his return to Australia and through a life of service to our organisation, the local cadets, his fellow members and mates he was recognised with Life Membership and the Meritorious Service Award.

I remember listening to an argument Wally had with a mate after a recent ANZAC Day Service. One had worked on the Thai end of the notorious railway and the other on the Burma end. They were arguing over which group had built the best railway line. All in jest of course but the humour was so characteristic of Australian who did it tough.

Something Wally said that day has stuck in my memory ever since because of the passion with which he said it.

He simply said “if you didn’t have a mate you didn’t survive.”

Rest in Peace Wally and I am sure when the Pearly Gates open there will be many a “mate” to greet you.

FESTIVE GREETINGS

As this is the final Listening Post for 2013 I want to take the personal opportunity on behalf of Noelene and myself, to wish you and your families a peaceful and gentle Christmas which we hope will bring an opportunity to relax and enjoy this special time of the year with loved ones, family members and your “mates”

Thank you for your support throughout the year and I will welcome 2014 with enthusiasm, a sense of challenge and confidence knowing that RSLWA has much to look forward to.
RSLWA State Secretary and State President Graham Edwards set up shop over the Veterans weekend at Bruce Rock.

A big crowd of veterans, family, friends and locals enjoyed the great atmosphere and the friendship which has now become a hallmark of this annual event.

From all reports the RSL presence was appreciated and numerous pieces of information and material were passed onto veterans and their families who made enquiries.

State President Graham Edwards said he and Phil enjoyed the veteran contact and the various displays such as the Light Horse, the Stuart tank and the interaction with other stall holders including TPI, Partners of Veteran and many more.

We will be back there next year Graham said and if the weekend is held immediately after the Commemoration in Albany it was likely that many veterans will combine the two events.

Phil Orchard said ‘it is important for the RSL State Branch to venture into new areas, particularly as BR does not have its own sub branch and maximise the opportunity to talk to the local population and visitors to the area about what the RSL is focussing on for the future and Centenary period.

Graham Edwards
RSL WA President
A minimal armed force was employed to monitor the emerging peace proposals between parties recently at war. Peace support operations are often divided into peacekeeping (lightly armed) and peace enforcement (heavily armed); these are blanket terms used to cover all impartial, multinational and military-based interventions in areas of conflict.

Over the years Peacekeeping has taken on a variety of different roles such as deterring wars and conflict, resolving conflicts, promoting peace, supporting civil authorities in response to domestic crises, humanitarian assistance and disaster relief. Many see this as the main platform of the United Nations Charter, however there is also a more complex role taken on by the Peacekeepers whereby force is authorised to prevent further conflict between warring parties.

Australia’s first Peacekeepers departed Australia in September 1947 for Djokjakarta in Indonesia to assist the Indonesians to secure independence. Peacekeepers are predominantly from the Australian Defence Force (ADF) and the Australian Federal Police (AFP) have also played a prominent part in the peacekeeping operations over many years. The support by the AFP has included supplying officers to serve overseas in Ganges, Cambodia, Haiti, Mozambique, Bougainville and Timor. Western Australia Police are amongst those who have served overseas with the AFP.

Australias’s involvement in peacekeeping is an ongoing activity on areas of potential conflict. The most recent involvement is in East Timor and the Solomon Islands. The East Timor Conflict grabbed the attention of Australia as it is only about an hour and a half flight away from our North Coast.

The United Nations Peacekeepers Remembrance Day is commemorated on 29 May annually.

Editor’s Note: The Australian War Memorial (AWM) in Canberra and the State War Memorial in Kings Park have now placed the names of those who paid the supreme price whilst carrying out Peacekeeping duties for the United Nations and the Australian Government on to the respective memorials to give recognition so richly deserved for these Servicemen and Servicewomen.

Several Australian Service personnel and Federal Police Officers have paid the ultimate price for their service.
The Inaugural RSL Memorial Breakfast
The Inaugural RSL Memorial Breakfast was held on Friday, 25 October with Special Guest the Honourable Dr Brendan Nelson MBBS MRACGP FRACP (Hon.) FAMA.

Congress Wreath Laying Ceremony
State War Memorial, Kings Park – Friday, 25 October 2013
From the CEO

After what seems months of ongoing preparation, the execution of our 97th State Congress and our Remembrance Day commemoration service appear to have gone well. It was encouraging to hear the positive feedback from both events although we, the staff, are well aware of some matters that need attention. Thank you to all who provided a detailed response on the feedback forms from Congress. The cost reduction, which included the dropping of the Welfare Levy of 50c per financial member as well as $25 Congress Levy was well received as was the $70 attendance fee being reduced to $35.

The Congress itself, opened with an exceptional speech by Dr Brendon Nelson MBBS, MRA, MRACP, FRACP (Hon.), FAMA, Director of the Australian War Memorial, incorporated two inspirational youth speakers Miss Krista McMeekan, and Cadet Warrant Officer Class 2 John Foster, was attended by Federal and State politicians, our National President Rear Admiral Ken Doolan AO RAN Rtd, senior members of DVA and other Veteran organisations. Most importantly, 58 Sub-Branches were represented by 109 delegates and some 15 observers. In total in excess of 150 attendees.

Much of the cost was subsidised as a result of our President’s Annual Memorial breakfast. Our first fundraising event as such and one that was extremely well supported by the corporates, service trusts and our key event sponsor, the Perth Mint who provided a coin in card for every attendee.

Our key event sponsor, the Perth Mint who provided a coin in card for every attendee.

and an aluminium-bronze $1 Anzac Day 2013-dated coin in card for every attendee.

In brief summary the building design, featured in the August edition of The Listening Post will commemorate the Departure of the Convoys, a portrayal of experiences through personal stories that will be provided by interaction through rich and immersive multimedia, access to experiences and information online. The story will commemorate the departure of the convoys and allow visitors to experience the life of the ANZACs through personal stories. It will consider the consequence of war, honour their sacrifice, share their stories and reflections but most importantly REMEMBER THEM.

On behalf of the State President, State Executive and staff of ANZAC House can I offer congratulations to all our award recipients:

ANZAC of the Year
Peter Dimopoulos

Meritorious Award
Mr Kevin Trent OAM

New Life Members
Trevor Kenny (Bunbury Sub-Branch)

Gordon William Norton
City of Perth Sub-Branch

Robert Sydney White
City of Mandurah Sub-Branch

Kay Cleek (City of Cockburn Sub-Branch)

50 year Certificate
Mr Norman Semmens
Canning Districts-Victoria Park Sub-Branch

Trophy Winners
The Newdegate Cup - City of Rockingham Sub-Branch

The Colonel Collett Cup - Pinjarra Sub-Branch

The Geraldton Shield - Three Springs/Armiio Sub-Branch

The Mary Cornell Trophy - Kalgoolie Sub-Branch

The Ken Bladen Recruiting Shield - Morawa-Gutha Sub-Branch

Remembrance Day and Poppy Appeal
Our Remembrance Day Service at Kings Park was extremely well attended. His Excellency the Governor of WA, Mr Malcolm McCusker AC CVO QC and other distinguished guests, Ex-Service Organisations and the general public participated in the Wreath Layling. Following the Remembrance Day addresses by the State Vice President, Mr Denis Connelly and His Excellency the Governor, Mr Connelly conducted the formal handover of the Crypt Keys from the Outgoing Warden, CDRE Steve Davies RAN Rtd to the Incoming Warden Mrs Jan Stewart CEO of Lotterywest. This years’ Service was supported by Churchlands Senior High School Band, the RAN Australian Army, and RAAF, as well as Navy, Army and Air Force Cadets.

Prior to 11 November the City of Perth and Kings Park agreed to illuminate Council House, the Bell Tower and the State War Memorial red in respect of the commemoration and all statues in Perth city proudly donned a poppy for the week. Of particular note was the inclusion of our Poppy Picnic post-Remembrance Day Service at Rotunda 1 near the State War Memorial. This was extremely well supported, and provided the opportunity for the attending schools to conduct a Memorial Hunt, based on clues, to learn more about who and what some of the Memorials in the Frasers Avenue precinct are dedicated to.

Albany Interpretive Centre
The State President and I attended the second Forum for the Albany Community in late October. This forum allowed a number of key stake holders to present on the progress and preparation for the weekend of 1 November 2014. Presenters included: the State President, Richard Muirhead - State Director National Commemorative Events, Department of Premier and Cabinet; Jennifer McGrath – Executive Director, Department of Finance, Building Management and Works; Alec Coles - Chief Executive Officer, Western Australian Museum; Peter King - Deputy Commissioner, Department of Veterans’ Affairs; Gwyn Dolphin - Executive Director, Eventscorp (Tourism WA); Garry Adams – A/Chief Executive Officer, City of Albany and Claire Parker – Managing Director, Project3. Key points to note are that the site clearing has been completed and that BGC Construction Pty Ltd is appointed as the builders. Construction to commence in mid-November 2013, and the building will be finished in August 2014. The fit out of the exhibition will be carried out during July, August and September 2014 with expectation that testing and commissioning will occur during October 2014. If all goes well the Official Opening will be on 1 November 2014. It is of note that over 65% of the building work will utilise local firms. To date we are on program and within budget.

On behalf of the State President, State Executive and staff of ANZAC House can I offer congratulations to all our award recipients:

ANZAC of the Year
Peter Dimopoulos

I would like to thank all of my team at ANZAC House for their terrific support through 2013. The organisation required for our commemorative events, and others, start the day after the previous one finishes. Often they are complicated matters full of bureaucracy requiring careful and considerate negotiation. It’s very much a team game. My special thanks to all Sub-Branches who have hosted the State President and I during our visits and to your office bearers who keep open the lines of communication so well. It can sometimes be difficult to know when to pick up the phone but if you remember that we in State Branch prefer to be proactive rather than reactive and that surprises and secrets don’t go down well, then you are on the right path.

From us ALL at ANZAC House, HAPPY CHRISTMAS and best wishes for 2014.
Annual Tea Dance at ANZAC Club

Tuesday 15 October saw a number of ANZAC Club patrons putting on their dancing shoes to take part in another successful ANZAC Club Tea Dance. Professional dancers from Daele Fraser Dance Studio showed the participants a move or two and the Cross-Over Duo provided the music that was enjoyed by all throughout the day. This year’s Tea Dance was run in conjunction with the Department of Veterans’ Affairs Veterans’ Health Week. Which this year promoted Physical Activity – Fitness, Strength, Flexibility and Balance.

Denis Connelly
Homemade red poppies went on sale at Margaret River Independent School recently to commemorate Remembrance Day and raise money for Margaret River Returned Services League (RSL).

Constructed by the Pre-primary students, the colourful cardboard flowers were sold for 50 cents each raising more than $70. Pre-primary teacher Debbie Pendlebury said the class discussed the significance of the poppy, learned about war-time conflicts and constructed their own battlefield.

On Remembrance Day, the whole school observed a minute’s silence and laid a wreath in memory of those who have died or suffered in the line of duty. Margaret River RSL secretary, Rob Scott visited the school on Tuesday to talk to the pre-primary students about his own war-time experiences, show his service medals, and discuss how the fundraising efforts would help ex-servicemen and women.

Also present on the day was teacher’s aide Raine Ladd who had with her partner Peter Megovern’s medals awarded to him for his service in Afghanistan, which completed the picture of linking our past with our present and with our future, our future being those wonderful pre primary students at Margaret River Independent School.

Main article by Melissa White, Margaret River Independent School with final comment added by Keith Simmonds, President Margaret River RSL Sub-Branch

Things have changed, but our commitment to the Perth community hasn’t.

Purslowe Funerals are proud to announce their 100 year anniversary.

Since 1907, Purslowe has been a trusted provider of funeral services for West Australian families. Today we are a modern, Australian owned company that can provide you and your family the exact funeral service you desire.

Whether you are looking for a traditional service or something distinctly individual, Purslowe can call on 100 years of experience to get it right. We give you time to plan, to reflect, to remember the special moments.

Pre-arranged funerals available. Locations throughout Perth,
North Perth 15 Scarborough Beach Road, 9444 4835
South Fremantle 254 Hampton Road, 9335 4111
Victoria Park 289 Albany Highway, 9361 1185
Wangara Cnr Buckingham Drive and Wanneroo Road, 9409 9119
Midland Cnr Brockman Road & Great Eastern Highway, 9274 3866
Esperance RSL Sub-Branch

Our Sub-Branch again played host to our members and families, the local public and visitors as well as children and teachers from the local schools attended.

The service was again conducted by branch President George Starcevich and the Reverend Frank Roe.

Mrs Sime, the widow of CPL Bob Sime, donated Bob’s service medals to this Sub-Branch; and prior to his demise Bob had presented to our Sub-Branch a North Korean flag which was taken during one of the fire-fights in Korea during that conflict.

From the members of the Esperance

Greenbushes Remembers

The history behind the red poppy that is symbolic of Remembrance Day was highlighted at the Greenbushes Remembrance Day Ceremony on November 11.

Greenbushes Primary School students hosted the ceremony which was attended by members of the Greenbushes Branch of The Returned and Services League.

Students presented readings and poems which explained that the red poppy that was symbolic of the bloodshed on the fields of northern France and Belgium during World War One. Since 1921 the poppies have been sold by The Returned and Services League around Remembrance Day to raise funds for welfare projects.

Wreaths were laid and candles were lit at the base of the Greenbushes War Memorial as part of the service.

The Greenbushes Primary School then provided light refreshments for members of the Greenbushes RSL and community members attending the service.

Pat Scallan
Secretary

Mazenod College

Mazenod College commemorated Remembrance Day on Monday morning. Special guests were Mr Geof Irvin, a Vietnam War veteran, representing the Kalamunda Branch of the RSL and Mazenod Old Boy (Class of 1997) Petty Officer Adam Bamford RAN.

The ceremony was led by College Captain elect Tom O’Brien with College Vice Captain elect Michael Swallow assisting. PO Bamford read the Prayer of Remembrance. A blue and white wreath was laid by College Principal Mr John Payne and College Captain elect Tom O’Brien. The colours are those of the United Nations; blue for democracy and white for peace.

Then a wreath was laid by Mr Irvin and Petty Officer Bamford. It was coloured red for blood and sacrifice and white for peace; the colours of the Australian Defence medal. Mr Irvin led the Ode of Remembrance. The music department led by Mr Sam Graham provided the band who played the national anthem and buglers who played the Last Post and Reveille. They were brilliant! The National anthem singing was led by two Year 9 students. Staff members wore their service medals; Lt Col Bradstreet AM, Mr Lewis, Mr Keddie and Mr Hiatt. Their demonstration helped to reinforce to students the school motto “Faith and Country Truly Serve”.

The Remembrance Day ceremony is an important educational event for students to learn and understand that the peace and freedom Australians enjoy today should not be taken for granted. Students should understand that they owe an enormous debt of gratitude to those who have served and now serve their country in a war, peace keeping and community service organisations.

Thank you to Mr Hiatt for his help in organising and co-ordinating the ceremony.

Mr Richard Kostecki
Head of Society and Environment

Nedlands Sub-Branch

Nedlands Sub-Branch’s Remembrance Day Ceremony was well attended with the public appreciating the shade provided by a marquee. Nedlands Councillor Ian Argyle gave a short address.

He was supported by students from Dalkeith, Hollywood, Loreto and Nedlands Primary Schools reading their own poems. Hollywood Primary School also provided music. The Rev Mark Dale sounded the Last Post on a bugle which was used at Gallipoli. Tiger Moths from the Aero Club flew over at the appointed time of 1100hrs.

The Mayor of Nedlands, Max Hipkins invited all for light refreshments at the Hollywood-Subiaco Bowling Club after the service. The War Graves people had the venue in immaculate condition for the Service and are to be thanked.

Thank you also to the Nedlands Council for their continued support.

Doug Arrowsmith, Secretary

Wooroloo Primary School Service

Wooroloo Primary School, under the direction of Principal Caroline Nun and Dr Tony Thatcher, held their own Remembrance Day Ceremony. Each student proudly wore a poppy.

Dr Tony Thatcher said of the service, “Their little backs all stood straight when the bugle call sounded. Very proud of the teaching staff who arranged such a simple but poignant service. I noticed they also wore poppies. This was a great example of Australians saying ‘Lest We Forget’.”
Reinforcing Australia’s Proud History

For the Ellenbrook Sub-branch Remembrance Day has been an outstanding success.

This Sub-Branch works hard to reinforce the important events in Australian history and culture. This year we offered all local schools copies of the book “The Red Poppy” by the New Zealand author David Hill. Schools were also invited for the first time to lay wreaths at our ceremony. Perhaps the most encouraging aspect of the occasion this year was the enthusiastic support from the general public when we fund raising.

The solemn ceremony attended by over 200 people was held in warm conditions at the town library site. The President Stephen O’Neil spoke of the significance of Remembrance Day in 1918 and through the years. The bugle calls and supporting drumming were provided by Ellenbrook Secondary College music students. Politicians, dignitaries and school representatives all laid wreaths at the flag pole, and our senior citizens provided everyone with morning tea.

This great team effort has reinforced our determination to continue to commemorate such important events and to ensure that those who served are remembered.

Lest We Forget.

Dr Neil MacNeill

Kambalda Sub-Branch

At about 10.45am everybody assembled at the Memorial at Kambalda East.

This was the best attended Remembrance Day I can remember, with approximately of 170 people in attendance. They were made up of 20 Police, Fire Brigade and St Johns; 90 children from Kambalda East school; 20 people from BHP, with the general public making up the remainder.

Wreaths were laid to honour those who paid the ultimate sacrifice; with most of the wreaths coming from Kambalda East school children. Wreaths were also laid by Coolgardie Shire; Police, Fire Brigade and St Johns and the Kambalda RSL Sub-Branch.

After wreath laying, we had The Last Post with Gina Makara (flag orderly) bringing the flag down to shoulder level. We then had 1 minute silence, followed by the Ode, followed by Rouse where Gina took the flag back to full height, before dropping it back to half-mast.

Allan Lindup
President: Kambalda Sub-Branch

Northam Sub Branch

An estimated 100 people attended the Remembrance Day service in Northam.

With a warm 41 degrees shortly before 11am and the crowd gathered under what shade was available.

Cadets from TS Perth and 519 ACU, Northam were the flag party, marching the flags to the service and also attending the main flag pole.

President of Northam Sub-Branch Donna Prytulak opened the service at 11am with 1 minute Silence and then delivered her opening address. She spoke of the history of Remembrance Day.

Secretary Reg Stevens gave the address speaking about the reaction of men at the end of World War One, the loss at Fromelle and one soldiers experience of that, and also quoted an SAS soldiers experience of losing mates in Afghanistan.

He also read the name and details of Cpl. Cameron Stewart Baird MG who was killed in action on June 22 this year.

Treasurer Geoff Scarterfield read a Prayer of Remembrance Bugler Luis Lim played the Last Post and Rouse with Warden Jim Donovan reading the Ode.

Wreaths were laid by the Northam RSL and the Women’s Auxiliary, Paul Brown MLC, WA Police, Shire of Northam, St Johns Ambulance, Several local schools and NACHA.

Many poppies were placed on the Memorial at the conclusion of the service by those attending.

A morning tea was provided after the service and a good number of people stayed to enjoy the refreshments in the cool of the RSL rooms and Memorial Hall.

Reg Stevens, Secretary
The MC, MAJ Lyndon Jackson from HMAS Stirling, commenced the Remembrance Day Service by thanking the Noongar People, upon whose traditional lands we were commemorating this Remembrance Day.

He then went on to point out that the freedom we all enjoy today came at a cost in terms of human sacrifice, and that great loss, and those who made the ultimate sacrifice, that we were remembering today.

The Naval Chaplain Steve Gunther was called upon by MAJ Jackson to lead the large gathering in prayer, followed by the very moving hymn, “Lest We Forget”. This was accompanied by the Naval Band under Bandmaster CPO Natalie Erskine. The Prayer of Remembrance was then delivered prior to the laying of the many wreaths at the War Memorial. Members of the public also came forward with tributes and red poppies.

As it neared 1100h, the Firing Party, from HMAS Stirling, under the direction of SBLT Owen Bowey, slow marched into position by the Cenotaph. A RAAF HAWK jet roared overhead, making a spectacular sight. On command, the Firing Party fired numerous volleys into the air. MAJ Jackson recited “The Ode To The Fallen” and The Last Post was played by the Naval Bugler. There was a minute’s silence, followed by Rouse. Following the National Anthem, the Catafalque and Firing Parties marched off.

MAJ Jackson thanked all those who had attended, the Guest Speaker CMR Matthew Blenkin, Chaplain Steven Gunther, the Dignitaries, Ex-Service Men and Women, Veterans, especially those who had just returned from Afghanistan, Schools and the Members of the public. He also thanked the many Volunteers whose assistance made the success of this day possible. The Chaplain, Steve Gunther said the Blessing and Closing Prayer and another Remembrance Day came to an end of service.

After the Remembrance Day Service at the Cenotaph, there was a Memorial Service held at the Rockingham Sub-Branch for our Service Members who had passed away in the preceding year. Families of these Members were invited to attend, and a plaque was placed on our Memorial Wall for each of them. Families and Members placed wreaths and poppies on this wall, as our special remembrance for our special people, came to close.

“LEST WE FORGET”

Wendy Gray
Honorary Secretary
City of Rockingham RSL
Sub-Branch

Local resident Mabel wishes she had found the ‘paperless’ Bidet toilet seat years ago. “It’s marvellous” she says. “I’ve always wanted a Bidet in my bathroom. I had heard that a Bidet would assist me, as my arthritis and back had made going to the loo an onerous task.

I had been held back by the cost and space required by a stand-alone unit”. Mabel says her luck changed when she saw an ad in a paper a few months ago placed by The BIDET SHOP® for the Bidet toilet seat. It read, ‘This Bidet simply replaces your original toilet bowl. and will automatically clean you without toilet paper’, and also it said ‘installation is simple’.

After reading that, Mabel said she was so excited that she decided to call The BIDET SHOP® and find out more about this Bidet. She spoke to a gentleman called Stephen who explained that apart from the comfort factors of a heated seat and other great ideas incorporated into the Bidet, the toilet seat has many health benefits. He then said how the seat worked and pointed out that once you had finished doing your business, “You simply pressed the bottom wash or feminine wash button and the Bidet provides a stream of warm water to clean you thoroughly. The in-built fan then dries you off with warm air, without the need for toilet paper”.

Mabel said that although The BIDET SHOP® offered to send out a brochure pack, she decided to order a Bidet seat straight away. Well it arrived a few days later at no extra charge... The toilet seat was so simple to install and as she had been told, it fitted perfectly on her original toilet bowl.

Mabel said the Bidet is the best investment she had made in her personal health and hygiene in years and no longer finds going to the loo an issue. “Give it a go” she says, “I did and I couldn’t be happier”.

Call The BIDET SHOP® today on 6102 5610 (Local) or 1800 243 387 (Freecall)
The City of South Perth Sub-Branch

The City of South Perth RSL Sub-Branch conducted a Remembrance Day Service at the War Memorial located in Memorial Gardens, South Perth.

During the Service Sub-Branch President, Kevin Trent read the names of the twenty men from the District who paid the supreme sacrifice in the Great War 1914 – 18.

The choir of the Kensington Primary School who sang “In Flanders Fields” and the Australian National Anthem at the conclusion of the Service which was attended by a large crowd.

Kevin Trent
President

On Friday, 8 November, the Gascoyne Sub Branch took delivery of its first vehicle, a seven seater people mover that will enable us to transport our less mobile members and other senior citizens to events and get them safely back home again.

The Sub-Branch has worked hard at raising funds from members and the purchase was only possible in the end by the extremely generous support of Alan Livesey of Carnarvon Motor Group who sponsored the purchase. The Carnarvon Motor Group has always supported the RSL in its welfare and community service activities and we owe them a great debt of thanks.

Our next major funding project is going to be even harder for our small membership. We are trying to raise funds to refurbish the Carnarvon cenotaph which is showing its age (constructed in 1923). We want to install a life size bronze WW1 Billy atop the cenotaph and strip the many layers of peeling paint back to the original surface and seal with anti-graffiti coating.

We will then attempt funding of the reconstruction of the HMAS Sydney wall and roll of honour to make it a more appropriate memorial to those officers and men who died in that tragic encounter. If funding permits, we would also like to consider recognising the men of the Komoran who also gave their lives in the battle. We are currently seeking advice on this matter as it is, quite obviously, an emotive issue.

We are currently negotiating with the local Shire Council to obtain financial assistance for the purchase of the Bronze statue and to convert the area surrounding the Cenotaph into a pedestrian friendly plaza. The removal of kerbs and level changes hopefully will make it much safer for all members to attend services such as the Dawn service on ANZAC Day.

Ed Garrett
Secretary/Treasurer
Gascoyne RSL

Scarborough Sub-Branch

Scarborough Sub-Branch invited Members and the general public to their Annual Remembrance Day Service at The Scarborough Memorial Garden, Doubleview.

The traditional bugle calls of “Last Post” and “Rouse” were sounded and followed by the recitation of the “ODE” by President Des Cummings who also delivered a brief address.

After this was the formal Wreath Laying from representative of Local Member of State Parliament, our Sub-Branch and the Bowling Club.

Then the Doubleview Primary School Choir closed the formal part of the ceremony with their rendition of the National Anthem. After this most of the attendees retired to the adjacent Bowling Club hall and enjoyed morning tea provided by Bunnings and entertained by items from the school Choir.

Malcolm Till

North Beach Sub-Branch

North Beach Sub-Branch conducted a Remembrance Day Service at their memorial Monument on the Charles Riley Reserve, North Beach.

Some 40 RSL members joined 200 school children from local schools and the general community for a short service, led by RSL President Alex Lennox. Vice President Roger Hardwicke read the address while Lewis Firman said a few words.

The Last Post and Rouse were very well played by a Year 10 student from Carine Senior High School.

Rob Sweet
Secretary

Gascoyne RSL Report

The Gascoyne RSL held a Commemorative Service at the Carnarvon Cenotaph on Remembrance Day 2013. Approximately 50 people attended the service directed by the President of the Sub-Branch, Mr Sandy McGinn.

Prayers were read by Pastor John Tomkin and wreaths were laid by E Troop, RSL, Naval Association, Korean Veterans, Carnarvon Shire and Carnarvon Community College.

Afterwards, light snacks and refreshments were served at the RSL clubrooms in Stuart Street adjacent to the Cenotaph.

On the Friday preceding Remembrance Day, the Sub-Branch organised poppy sales around the town and raised a grand total of $1,645 which shows that small country towns still have spirit of giving to a good cause.

Kevin Trent
President

North Beach Sub-Branch

Roger Hardwicke read the address while Lewis Firman said a few words.

The Last Post and Rouse were very well played by a Year 10 student from Carine Senior High School.

The SPIRIT OF GALLIPOLI Replica Knife Collection

On April 25th, 1915, a group of ordinary Australians fought for freedom in a foreign land. From their courage and sacrifice Australia took its place amongst the greatest nations on earth. Now you can honour an important part of your heritage with a unique first-ever collection retelling the complete Gallipoli story and defining what it means to be Australian. Premiering with Issue One, “The Spirit of Gallipoli,” each hand-crafted replica knife showcases the highly-prized art of Robert Toddoual on a fine porcelain blade. From there the story of Gallipoli unfolds chapter by dramatic chapter, with each new issue honouring the men and the events which gave rise to the legend of Gallipoli. Each issue arrives with a FREE historical booklet detailing the events depicted on each replica. Respond today and receive the first of your two FREE displays with the Issue Two “The Landing.”

Act now to secure Issue One for just $69.99, plus $9.99 postage and handling. I understand I need pay nothing now.

Two FREE displays

Issue One: The Spirit of Gallipoli

Coming SOON!

Each issue in the collection is individually numbered with a matching numbered Certificate of Authenticity attesting to the issue’s place within the limited edition. Each replica display and the historical booklet accompanying it are hand-numbered and are shipped at regular intervals. There’s no obligation. Service Day 2013
Sub-Branch News

Ballajura Sub-Branch

Every month we have a “dine-out” evening at one of our local restaurants that all of the members can attend if they wish. This month our dine-out was at Villa de Vinci in Ballajura. The meal was quite good and the chit chat between members was its normal enlightening conversation, everything is discussed from the cost of the local paper to winning the world cup, it is an evening that is always enjoyable.

This month was different in that two of our members who came along are stars in their own right. Les Debonde had just had open heart surgery and was brought along by his wife Judy. Elsie Jordan came along with Led and Judy and is the eldest member in our Sub-Branch. Elsie said that she always enjoys these nights out because she gets to wear her best shoes, Elsie had just had an operation on her feet.

Our next night out will be at a Chinese restaurant in the Springs Shopping Centre. It will be on the last Friday of the month. For more information on our dine-out night contact Norma Farrell.

Mike Gilmore
President

Kalamunda Sub-Branch: Didier Pontzeele

Didier Pontzeele and Andre Burette recently had the honour and pleasure of hosting Mr Didier Pontzeele, Head of the Belgian War Graves Office, and his charming wife Ann at a light luncheon at our Hall.

Mr Pontzeele was accompanied by Senator Glenn Sterle, who hosted his visit to Perth. Mr Pontzeele was warmly welcomed by our newly installed President, Wayne Loughrey and also by our one and only Belgian ex-service member, Andre Burette (ex Belgian Congo), who welcomed him in his native tongue.

Mr Pontzeele gave an interesting Power Point presentation on the work of the War Graves Office, which was appreciated by the members of the Sub-Branch and their partners, and later joined with us in comradeship.

Doug Carpenter
Secretary

TS Perth headed to Kalgoorlie

TS Perth has had great ties with the Northam RSL Sub Branch over the years. The Naval Cadet Unit travels to Northam to attend the Sub-Branches Remembrance Day Service. The Sub-Branch in return attends the Unit’s End of Year Awards Night and helps present an award to one of the young cadets.

Over the past few years the September school holidays have been an important part of the Unit’s team building exercises. While most kids just sit around and watch TV or play computer games the TS Perth Naval Cadet Unit, well at least 10 of them this year, made their way to Northam’s Memorial Hall with Officers in tow itching to get on the seat of their bike to ride all the way to Kalgoorlie (with a few stops of course).

Having stopped in at the Memorial Hall where lunch was supplied by the Northam RSL Sub-Branch Women’s Auxiliary and goodie bags for extra energy, the group where given two cheque’s. The Unit received one to go towards other projects the rest of the year and the other goes towards the Unit fundraising for the Royal Flying Doctor Service. The group realises how important the service is to the regional areas in the State so they thought this might be their way of giving back to the Royal Flying Doctor Service. Over the past few years they have raised quite a bit of money for this essential service.

After lunch and a quick quiz the cadets were off into the distance looking forward to their first night sleep.

Donna Prytulak
President
Northam RSL Sub-Branch
In June 1940 Walter Holding enlisted in the Militia in the 10th Light Horse Regiment. He later enlisted in the AIF and in January 1941 was assigned to the 2/4th Machine Gun Battalion which was posted to Singapore. After fighting the Japanese in Singapore (of 91 soldiers with WX numbers, 41 were KIA) he was captured and incarcerated in Selarang Barracks.

In April 1943 Walter Holding was part of the ill-fated “F” Force, which was dispatched to Thailand to work on the Burma Thailand railway. They endured a five day journey by train from Singapore to Ban Pong in Thailand in cramped steel rice wagons before marching 290 kilometers on unsealed jungle tracks to railway construction camps at Sonkurai, near the border with Burma. Sonkurai No. 2 Camp was infamous as one of the worst camps on the Burma Thailand railway.

From the original 7,000 men from “F” Force who had left Singapore, it is estimated that about 1,350 had failed to complete the march to their appointed camps either having fallen sick, died or been ambushed by Thai bandits. Members of “F” Force suffered more than most prisoners on the Burma Thailand Railway from diseases, inhumane and brutal treatment, starvation, terrible conditions and lack of supplies as they worked predominately beyond supply routes.

In November 1943 the remnants of “F” Force returned to Singapore. A further 186 men of “F” Force died en-route. In total, 28% of “F” Force died on the railway. Walter Holding spent the remainder of his incarceration at Selarang Barracks and the Changi Gaol Camp on Singapore before liberation.

He returned immediately to work with the Western Australian Government Railways and was posted to Narrogin. Walter suffered from after effects of his POW experience and spent long periods in Hollywood Repatriation General Hospital, being too sick to work for 8 months of the next two years.

He immediately commenced an active association with the Returned and Services League, being active in the Narrogin sub-branch of the RSL. His wife Wyn became the President of the Women’s Auxiliary Upon retirement Walter Holding moved to Mandurah where he and Wyn continued their activities with the RSL.

They were awarded certificates for service to the State Branch; Walter was awarded a Life Membership Badge, a certificate recognizing fifty years of service and the Medal Of Merit. In his role of Welfare Officer he arranged outings, attended funerals of his Army mates where he recited The Ode and for many years visited any of his old mates who were hospitalised.

When it was decided in 2002 to form the Burma Thailand Railway Memorial Association Wally Holding became an active member. In addition to his direct involvement in the Association, Walter (and his wife Wyn) established a trust fund to assist, in conjunction with the Mandurah Sub-Branch of the RSL, in sponsoring service cadets from cadet units in Mandurah to be part of the tours. Thus far Walter has been responsible for assisting with the financing of ten cadets.

He was also directly responsible for commencing an arrangement for the Peel Health Campus to service Veterans. Wally was a generous sponsor of a cadet from each of the services every year.

Due to his war disabilities Walter was classified as Extremely Disabled yet still played an active role in all RSL activities.

Wally would always tell us that when he was a POW his main aim was to get back to Australia and join the RSL. This he did at his discharge on 29 November 1945; 68 years ago.

Dave Mabbs
President
Mandurah Sub-Branch

ANZAC Borneo Tour for 2014

The President of the Narrogin RSL Sub-Branch, Mr Ries Chatillon, is proud to announce the winner of the ANZAC Borneo Tour for 2014, in conjunction with the District High School, Shire and Borneo Exhibition Group WA.

Miss Sheenon Hall of Pingelly, a year 12 student attending the local high school, was a worthy selection for her assignment entry of the WWII History based on the Allied POWs and locals who suffered the atrocities and three Death Marches from Sandakan, Borneo between 1942 and 1945. She will represent her family, school and the district where six POWs originated at the onset of WWII.

It is noteworthy that through the sponsorship by the RSL, Shire and Lions Club, she will join a delegation of more than 30 from Perth organised by the Borneo Exhibition Group Inc (BEG) which will include eight other students, four from Borneo, who have come through the Partnership with Australia, Sarawak and Sabah Schools Program, (PASS Program).

The tour consists of a fourteen day program to visit many of the historical sites where these WWII events occurred with attendances to ANZAC services held at the War Cemetery in Labuan and also in Sandakan.

Special tributes will also be paid in Kuching at the former POW Camp at Batu Lintang, the Heroes Grave for the Locals who helped the POWs and the VC recipient Pte Tom Starcevich in Beaufort. The final dedication will be at the famous Kandasing Garden Memorial at the base of the mighty Mount Kinabalu.

The Chairman of BEG Inc, Mr Ryan Rowland, City of Perth Member, is proud to say that over 175 students have applied to the PASS Program since 2003, with 84 delegates having gone on the ANZAC Pilgrimage to Borneo, East Malaysia each year.

He further states that without the support of the RSL Sub-Branches to assist, offer venues for the massive WWII Borneo Exhibition, “Sandakan the Story that Must Be Told”, or assist with the development of the Scholarship Program, the Group would not have achieved the success that it has.

As a self-funded, small volunteer group, it is hoped that the initiatives of this very passionate group will be able to move forward with further assistance from other like-minded people who wish to assist by their sponsorship funds and give of their time.

For further enquires of the PASS Program, ANZAC Tours and expression of interest to assist with the Exhibition, please contact Ryan on email ryan_flightline@westnet.com.au phone 9295 2155 during business hours, or Mobile 0434 744 140. Also see website profile www.begwa.org
Nedlands Annual Luncheon

The Nedlands RSL hosted their annual lunch at the Hollywood-Subiaco Bowling Club. Some 65 attended. The guest speaker, the Hon Justice Neville Owen provided a personal, entertaining and humorous view of the justice system.

RSLWA was represented by the CEO/State Secretary CMDR Philip Orchard RAN, presented cheques to Loreto, Dalkeith and Nedlands Schools for their support through the year.

Nedlands Primary School provided entertainment by way of a quartet. Each member played their own musical piece followed by a magnificent rendition of ‘Feed the Birds’ from Mary Poppins.

Doug Arrowsmith

24th Birthday

I recently met with a group of ladies in the local area and found their stories quite unique.

While I am also an ex WRAAF member, I am considered the baby of the group and therefore the one to make sure their message gets out.

There may be other ladies who served in the military, who may find a connection and wish to ‘catch up’ with old friends.

Most recently a group of EX WAAAF/WRAAF gathered for lunch at the City of Rockingham RSL Sub Branch.

As the story goes... In 1989, two 60 year old ladies met on Rockingham Beach. One said to the other “Were you in the WAAAF” and so was born, the Rockingham Group. Twenty ladies met once a month over the years for lunch and chats about the good old days.

On Friday, 8 November, the ladies met once again, celebrating their 24th Birthday. Their numbers have dwindled but the comradeship is still there.

The ladies meet on the 2nd Friday of every month at the City of Rockingham RSL Sub-Branch for lunch and would welcome any interested ladies of any service to join.

If interested, please ring Phyl Properjohn at 9527 5961.

Jenny Sciortino

Northam RSL Sub-Branch Annual Luncheon

On 12 October the Northam RSL Sub-Branch held its Annual Luncheon. Present on the day was the State Vice President of RSLWA, Denis Connelly and Shire President, Steven Pollard with his wife Kathy.

Other guest included Apex, Army Jeep Group as well as members of the Sub Branch. Certificates of appreciation for helping the Sub Branch over the past year where presented to Apex, the Army Jeep Group, Luis Lira, the Sub Branch Women’s Auxiliary and the Northam Shire.

A three course meal was cooked by Frank and Sue Kent from Rockingham. The President, Donna Prytulak thanked them both and the volunteer kitchen staff for helping out on the day. The Sub Branch has already booked Frank and Sue again next year.

The MC for the day, Reg Stevens, introduced Denis Connelly to talk about The Listening Post and its history while Steven Pollard talked about 2015 and how the Northam Shire was going to help out with money that has been put away after the Sub Branch had sent the Shire a big wish list of what we are planning.

Jim Donovan, one of the Sub Branch Wardens recited the ODE while Mrs Jo Goulding, Vice President of the Women’s Auxiliary, said Grace.

A wonderful day was had by Sub Branch members sharing a meal and a chat together.

Donna Prytulak

Capel RSL Sub-Branch Veterans’ Health Week

The Great Walk

On Sunday 20 October, as part of Veterans’ Health Week, members of the Capel RSL and their families headed to Dunsborough in a bus driven by the intrepid Pat Sharpe, or in their own vehicle.

Most of the group then walked 3.7 km from the start of the Meelup Walking Trail to Meelup Beach where we all enjoyed a healthy lunch catered for by the Capelberry Café.

After lunch some members still hadn’t had enough so walked a further 2.4 km to the whale watching lookout and actually saw some whales!

Everyone had a very enjoyable time walking, eating and socialising in this beautiful location abundant with wildflowers – and the sun shone all day!

Bob Dening
President
Capel RSL Sub-Branch
Commemorative Service at Mokine

On Sunday 6, October the Northam RSL Sub-Branch held a Service at Mokine.

The Service was led by RAAF Chaplain David Oxley whilst Peter Fardon (ex RAAF) recited the Ode. RAAFA President Graeme Bland made a special presentation to Mr Sergio Bottacin for his dedicated work and restoration of this important memorial. The Service was followed by lunch and fellowship at the Northam Sub-Branch.

The urgency to raise funds to help the beautiful Boer War Memorial become a reality which had been eating away at several members of the Returned and Services League in Esperance.

This town of about 14500 people on the south-east coast of Western Australia has no local Boer War memorial, but have several descendants.

We have had a number of family visits from the editor of NSW Monumentally Speaking. It's a family thing, but petitions arrive, visits to the RSL are made and Monumentally Speaking is faithfully sent.

All of this had the RSL members thinking that they would like to help the National Memorial fund raising. Nothing official, just some of the interested members working together to create a donation.

One day, the President was looking at some timber on his rural retirement hectares ad decided that the Sub-Branch should have a raffle to sell a trailer load of logs.

A barbecue was organised, the logs were cut and loaded on the trailer partially hiding this modest group of five men. Just for the record their average age is 78. There weren't too many worries on the day, except that it was lucky Stan Starcevich had already been to the Korean War Reunion in South Korea because he had a bit of an accident when he dropped a section of the log on his arm. He bled a little but he is a tough nut and just shrugged it off. Stan's brother Joe was a POW in Changi, Burma Railway and a coal mine outside Hiroshima – a tough veteran.

The raffle was won by a most appreciative wood-fire owner, Ann Hampel of Princess Street, Esperance.

The smoky, wood-burning barbecue that followed was attended by Joan Starcevich, Pat Morton, Jo Starcevich, Dorothy Andre, Val Clayton, Dorothy Hayes, Colleen Young, Kelley Penny, and in a poetic touch, Lyn and Gordon Baker, formerly of South Africa. Many of these ladies helped later by selling the tickets.

Joan and George were in Canberra a week later and went to ANZAC Parade. They found the memorials to Australians in all the wars the Starcevich family members had fought and realised just how much they were appreciated. Great sadness then, that the Boer War people had had no such sign of their involvement and would never see it. Other returning veterans had lived to see theirs. They stood at the spot where the stunning Boer War Memorial would be and were able to visualise it.

The raffle raised $827.80 to hasten the completion of this wonderful memorial.

Note – the Starcevich family is extremely well represented among servicemen in Australia and have been a part of many wars. Brother of Stan and uncle of George is the late Tom Starcevich VC.

Keith Smith

Photos of the 2013 Broome ANZAC Day Service sent in by Mr Edward Davie
It was with much pleasure that I was able to accept the invitation from Mr Don Rowe OAM, State President of the New South Wales RSL to attend the International Fleet Review in Sydney on 4-5 October 2013.

The Royal Australian Navy commemorated the arrival of the First Fleet 100 years ago with a spectacular review in Sydney Harbour with over 66 vessels comprising of warships, tall ships and 8,000 naval personnel joined by up to 1.7 million NSW residents and international / interstate visitors to witness this magnificent period of celebration.

On Friday, 4 October the ships entered the harbour and proceeded to their allocated anchorage positions. HMAS SYDNEY led the RAN Flotilla, known as the magnificent seven, and included HMA Ships DARWIN, PERTH, PARRAMATTA, BUNDABERG, DIAMANTINA and YARRA. Three of these named ships, SYDNEY, PARRAMATTA and YARRA, were part of the first fleet entry exactly one century ago.

The sound of 3 pound saluting guns echoed across the harbour from both Garden Island and HMAS SYDNEY as the ships made their entry. The smell of cordite enough to excite any service person with a gunnery background.

Saturday, 5 October marked the Ceremonial Fleet Review by the Governor General embarked with HRH Prince Harry (Captain Wales) in HMAS LEEUWIN. The events concluded with a spectacular light & fireworks display that scripted, in seven acts, commemoration of the original seven fleet units from 1913 including a projection on the Sydney Opera House sails and the Sydney Harbour Bridge pylons. It was a spectacular display with ships strategically positioned around the harbour bridge area as firework platforms. With military precision the next 40 minutes provide a firework display that was second to none.

Throughout these events, which included other displays such as search and rescue aircraft, the roulettes display team, fast jets and ship open to visitors and many more, your Navy put on a first class display. BRAVO ZULU RAN.

Promise Delivered

When Mrs Kathleen Malta presented a copy of The Lost Diggers of Vignacourt to the RSL Victoria Cross Library in May this year Mr Graham Edwards promised he would give her a RSL Rose.

On Wednesday, 6 November this promise was fulfilled. Mrs Malta was delighted to receive such a wonderful gift from RSL WA.

For information on the RSL Rose go to www.rslrose.com.au

Surviving the Festive Season

Many people find Christmas a very difficult time of year. Christmas may have previously been a time spent with loved ones who are no longer in your life. Additionally, many people have more expenses at this time of year adding further difficulties to the holiday season.

If you are having difficulties paying utility or other essential household accounts please contact the Welfare Officer at ANZAC House.

Some assistance may be available to eligible Veterans and their dependants experiencing financial hardship.

Christmas can also be a difficult time for people who have suffered major losses since the previous Christmas. Perhaps you don’t have any family and you are not looking forward to spending another Christmas alone. Whilst this can be reason to dread the festive season, there are alternatives. Check out what’s happening at your Sub-Branch and participate.

Many community organisations and Churches have special activities for the festive season. Mission Australia has an annual “Christmas Lunch in the Park” this event is attended by around 2000 locals and offers free of charge, companionship and a fun filled day. Every guest will enjoy a traditional Christmas lunch under an air-conditioned marquee, receive a gift and enjoy entertainment throughout the day.

Santa will distribute donated gifts and volunteers will welcome each guest as they arrive. The event is held at Wellington Square Park, East Perth on Wednesday 25 December 11.00am to 2.00pm

Sources of Assistance During the Holiday Period

ANZAC House will be closed from 3.30 pm on 20 December 2013 until 13 January 2014. During this period the Welfare Officer will be contactable on mobile number 0417 905 742 should you need assistance. Other useful sources of assistance include:

- Veterans & Families Counselling Service 1800 011 046
- Carers Association Counselling Line 1800 007 332
- Lifeline 131 114
- Crisis Care 9223 1111 / 1800 199 008
- Cypress Cottage Emergency Accommodation 0404 680 928

The WA Sailors, Soldiers and Airmen’s Fund Trust

The WA Sailors, Soldiers and Airmen’s Fund Trust assists veterans and their dependents experiencing financial hardship or in crisis. The Trustees meet on the second Tuesday of each month to consider applications for assistance. The Trustees will evaluate all reasonable requests for assistance.

Financial grants are restricted to those that are genuinely in need and unable to pay for some essential item or purpose required to preserve quality of life.

For further information please contact the Fund Administrator on 9287 3707 or mobile 0417 905 742

I would like to take this opportunity to wish you all a Merry Christmas and a safe, happy and prosperous New Year.

Rosalind Howat
State Welfare Officer

RSL volunteers regularly visit Veterans in Hospitals, Nursing Homes and Prisons in the metropolitan area. If you would like to arrange a visit for yourself or a loved one please refer to the Hospital Visitors List or for Prison visits please contact Mr Terry O’Neill of RSL Legal Support Group on 9440 6233.

To arrange a Nursing Home visit please contact the Welfare Officer at ANZAC House on 9287 3707 or 0417 905 742.

EASE THE PAIN OF YOUR FAMILY’S LOSS WITH A PRE-PAID FUNERAL FROM BOWRA & O’DEA.

IN THE CONFUSION AND EMOTIONAL NUMBNESS THAT FOLLOWS WHEN A PERSON DIES, IT CAN BE DIFFICULT FOR GRIEVING RELATIVES TO MAKE DECISIONS ABOUT FUNERAL ARRANGEMENTS.

Bowra & O’Dea Funeral Directors, wholly owned and operated in Western Australia for more than 110 years, are now offering a special service to RSL members interested in PrePaid Funeral Plans.

There are many benefits to a PrePaid Funeral Plan:

- The opportunity to design the funeral service as you wish and not as others would like it.
- Our price inflation guarantee. By taking out a PrePaid Funeral Plan you effectively freeze the price of your funeral costs in the future.
- A PrePaid Funeral Plan does not become a part of your estate and is not subject to any administration.
- You will lessen the anguish that family may feel regarding whether they did the right thing.
- We will arrange an obligation free appointment to discuss your personal needs.
- Your PrePaid Funeral Plan can be paid in instalments.

Special extras for RSL members:

- Free extra limousine
- No administration fee for immediate payment in full
- 5% discount on selected coffins

FOR MORE INFORMATION CALL JOHN RANGER AT BOWRA & O’DEA ON (08) 9231 5000

Bowra & O’Dea. Simply a matter of trust.
### Lunchtime Reception with Mr Didier Pontzeele

On Wednesday, 9 October 2013 office bearers from various Sub-Branches, DVA representatives and RSL WA staff were treated to a presentation by the Head of the Belgian War Graves Service at the Belgian Institute for Veterans, Mr Didier Pontzeele.

Mr Pontzeele spoke about what he and his team at the Belgian War Graves have achieved with resorting Australian digger’s graves and showed photos of a number of small gravesites maintained by them.

Mr Pontzeele’s visit was arranged by WA Senator Glen Sterle.

On the Subject of Wearing Medals

Dear Editor,

It has become apparent over the past several years that there is some confusion or misunderstanding of when it is appropriate to wear miniature medals with civilian clothing. I have seen miniatures worn on ANZAC Day parades, in the dining rooms of cruise ships (with informal/casual wear) and at funerals for departed ex-service members. The correct protocol for medal wearing is published on various websites, including The Department of Defence, RSLSA, RSL National and It’s An Honour.

These information channels all highlight the fact that miniatures should only be worn with formal dress at evening functions. At other times and in other circumstances, full sized medals are deemed to be appropriate.

John Stewart
Ex-RAAF

Note from the Editor: John Stewart has bought to our attention the importance of correct procedures when wearing decorations in social and formal occasions.

Congress 2013

Dear Editor,

To all members of the RSL WA Branch and all State Committee Members, council members and staff, my family and I would like to take the opportunity to thank everyone for their support in the campaign to recognise our Fallen Peacekeepers in having their names on the ANZAC War Memorial at Kings Park and also in Canberra at the Australian War Memorial. I thank you for voting in favour of this motion.

As the mother of one of those Peacekeepers, Pte Jamie Clark 5803722, 3RAR, who lost his life whilst serving as an Australian Soldier in the Solomon Islands on 10th March 2005, it has been a significant moment to know that he and all his fellow fallen colleagues can now be recognised at State and Federal level at the memorials. Our family have great pride that Jamie was a serving soldier and he too was a proud Australian, proud soldier and above all honoured to serve his country.

As I attended the congress on Saturday 26th October it was so very rewarding to mingle with returned and current members of our ADF, I felt so much pride and was humbled to be in their company. As there will be so many people who served Australia over many years and lost their lives in the process finally getting recognised and not just as Peacekeepers, it makes me proud to be an Australian.

I know for Jamie’s dad Peter, brothers David and Shaun along with his extended family, army comrades and many friends, this recognition is amazing. The people I have befriended in the Solomon Islands hold the Australian Army personnel in high regard and appreciated everything that was done for them over the 10 year period of deployments, and I am sure the people of East Timor feel that same, (Jamie also served a 6 month deployment over there.)

To all our retired and serving ADF personnel I salute you and thank you for all that you have done to protect Australian and those less fortunate in overseas countries.

And to all those we have lost – Lest We Forget.

Avril Clark
28 October 2013

ANZAC Club, Dartmouth

Dear Editor,

Further to our talks on The ANZAC Club, Dartmouth. We were travelling through Southern England and spent a night in Dartmouth. After a good pub meal we wandered through the old section of town and saw a sign “ANZAC CLUB”

This had to be different - so we walked in and introduced ourselves to the five members at the bar, all of whom could relate to the heros of the original ANZAC’S. I was surprised that there were no items related to the war effort and expressed this view. I offered to make contact with our RSL on returning to Perth and thus our comments to date.

The Club is up on the first floor in a area not too common for tourists resulting in limited patronage and consequently it is not overly prosperous. We discussed the relevance of the Naval College to Australians and thought it would be suitable for our RSL to help in whatever manner appropriate.

We mentioned that one avenue may be to advise RSL Members of the Club’s existence and if any were to travel through the area – then stop in for a pint and chat.

The additional cost to me on the night was to purchase one of their Club T-Shirts. This was a bit selfish, as it was mainly to give me a clean shirt for the next day!

Details of the reason for naming the Street and Club have been seen through separately, but in short the street was originally called Hanover St and the Anzac name was installed by locals in 1917 to “de Germanise” the locality. This must show the high respect they held for our troops.

Contact details are:
Ms Christine Gibbs
ANZAC Club
Anzac Street
DEVENT ENGLAND
TQ6 9DJ

Ps. My father was 10th Light Horse and later a pilot in the Australian Flying Corp and then Perth based in the RAAF in WW2. My Uncle was at Gallipoli and later the Somme earning a Military Cross. Hope all this is interesting and I would love to hear if / what progress occurs.

Alan Anderson

Editor’s Comment: Sounds like a great place to have a refreshment, so the next time you travel through this part of Britain call in and meet the locals.

The Listening Post Committee and Staff of ANZAC House wish all our readers a Merry Christmas and a Happy New Year

For more than 100 years Purslowe Funerals has been there for the people of Perth, helping families at a difficult time when a funeral is needed, and helping communities when it really matters.

Purslowe Funerals is one of Western Australia’s leading teams of funeral directors. They specialise in celebrations of life, in meeting the needs of families and in providing security and peace of mind with their prepaid funeral plans.

In recent times Purslowe Funerals has been there for The Returned & Services League. Not only are they an active supporter of Sub-Branches across the state but they have also been an ongoing sponsor of RSLWA State Congress.

Purslowe Funerals works tirelessly on behalf of the families of veterans and the community. They strive to provide the highest level of service and care for families who have lost loved ones and need support in their time of greatest need.

Purslowe Funerals looks forward to continuing to support RSL and Sub-Branch activities in Western Australia.
Rodney McIntosh on behalf of I'm trying to locate David attending the reunion in Melbourne October 2014. the general public are invited to attend and lay a floral at 11 am. Members of Ex-Service Organisations and war. massacred on Bangka Island or died as prisoners of Sisters from the SS Vyner Brooke who drowned, were Australian Army Nursing Sisters

The Applecross RSL Sub Branch will conduct a Memorial Service for the Australian Army Nursing Sisters from the SS Vyner Brooke who drowned, were massacred on Bangka Island or died as prisoners of war. This Service is taking place at the Memorial, Honour Ave, Point Walter Reserve, Bicton on Friday 14 February at 11 am. Members of Ex-Service Organisations and the general public are invited to attend and lay a floral tribute if they wish. BYO chairs if required.

Enquiries 9364 8564 / 9313 5649.

1RAR Group Vietnam 1966-66 Reunion

All former members of the units that made up the 1RAR Group are invited to register their interest in attending the reunion in Melbourne October 2014.

For more details Contact Ray Payne OAM at raypayne@veteranweb.asn.au or (07) 5524 7742.

Ballajura RSL Sub-Branch is collecting toys for Avril Clarke to take with her to the Solomon Islands for the children of the Jamie Clarke Kindergarten. The toys do not need to be new and they can be delivered to Mike Gilmore, 5 Thake Court, Koondoola, Phone 93425734. Another thing that is needed by the ladies in the village is the normal cloth shopping bag that you can buy at Woolworths or Coles A request for the ladies of the RSL if you sew could you make up some flat bags with a draw string, size about 400 mm X 250mm for the children to keep their school books in they would be very much appreciated. Second hand pencils coloured and lead pencils are always in short supply as well.

I know that this sounds like I am begging but knowing Avril Clarke (she is a member of the Sub-Branch) like I do she works herself ragged for the children of the kindergarten and anything that can be collected will be appreciated.

Getting these items to the Solomons is the easiest part, the Defence Force have given Avril the full use of two pallets that they will deliver free of charge.

Naval Stores Branch Reunion

Frankston 16 - 18 May 2014

A reunion of former and serving members of the Naval Stores Branch of all ranks will be held in Frankston Victoria next year.

For more information please contact Alan Cady-Ellis on (03) 9775 8621/0407 436 498 or email acadyellis@bigpond.com

Project Pax for Veterans

The vessel is currently afloat but in need of major works and maintenance to be ready for its ongoing task.

Significant work has already been undertaken and, in the remainder of 2013, the Project aims to dry dock the vessel and complete outstanding hull and superstructure maintenance. Valuable support is being provided by Austal Limited and AMC Pty Ltd in respect of this major activity.

Much has already been achieved, however to make the ship comfortable and to provide facilities that will empower our disabled veterans, much more is required. Sponsorship in both kind and cash donations, is vital to the Project and we seek your help.

Secretary: Madeleine Whitburn Ph: 0427 444 487 (mob) Email: mwhitburn@bigpond.com

V Company Royal New Zealand Infantry Regiment

Auckland: 28 February – 2 March 2014

The surviving members of the Company are holding a Reunion in Auckland from 28 Feb – 2 March 2014 and extend an invitation to their Australian comrades in arms to join with them at this time.

Volunteer wanted!

It is with regret that we announce the retirement of Barbara Clinton as the RSL WA representative on the Veterans' Children Education Boards.

As a result of Barbara's retirement, a process of recruiting a replacement is now required. The Veterans' Children Education Board, is established in the capital city of each State. Each Board shall consist of not less than five members and no more than fifteen members, each of whom are to be:

(a) nominated by an organisation that is interested in the educational welfare of eligible students including eligible children under the MRCA Children's Scheme;
(b) personally interested in, and able to contribute to, the educational welfare of eligible students including eligible children under the MRCA Children's Scheme; and
(c) appointed by the Commission

Board members shall serve in an honorary capacity but the Commission may reimburse them for expenses incurred in connection with the Scheme during their term of appointment. A member of a Board who incurs a legal liability in the performance of his or her duties as a member of the Board is in the same legal position as an employee of the Department.

Appointment - Board members are appointed by the Commission for an initial period of 3 years. The Board members may then be reappointed by the Commission for such further period as the Commission determines. Appointment of members to the Board shall be on the basis of a selection procedure whereby:

(a) the Board Secretary and Chairperson shall inform the nominating organisations of the nature of the Board's contribution to the Scheme; and nominating organisations shall:
(i) select individuals on the basis of the direct contribution they could make to the VCES in terms of interpersonal skills and educational contacts and relevant, educational experience;
(ii) provide more than one nomination wherever possible; and
(iii) provide a full resume for those nominated.

The Board Chairperson and a person nominated by the Commission shall interview prospective nominees to inform them of the functions of the Board and the commitment expected from Board members. The appointment of a member to a Board shall be made by the Commission subject to the MRCC approving the appointment. The Commission is to notify the MRCC of a proposed appointment to a Board and the MRCC is to notify the Commission of its approval or rejection of the proposed appointment.

Meetings will be at least four times in each calendar year. If you are interested in the position or would like more information, please contact ANZAC House 9287 3799.

Remember Them Trust

The team at Remember Them seek your assistance to help to spread the message of the THANK YOU initiative through the RSL suite of newspapers/publications.

For those of you who are unfamiliar or would like an update on the THANK YOU initiative; a combined community/RSL initiative, please watch our short presentation:
http://tinylink.net/sh52g

There are two sides to the initiative relevant to the membership base with whom you communicate; firstly promoting the message of THANK YOU so that when Veterans and their families see a member of the community wearing their t-shirt, they know the message is specifically for them!

Secondly, through the RSL network, we hope to help engage with the wider community and encourage support.

Please contact Jen Hamer on 0412 841 721 or the Remember Them team at support@rememberthem.com.au for any additional information.

We look forward to your support in encouraging community acknowledgement for our troops and the RSL.

Jennifer Hamer
On behalf of the Remember Them Trust

OCS Portsea Graduates

Kevin Lunney is organizing the 50th Reunion of the Graduating Class of December 1964 OCS Portsea.

Unfortunately he has had a computer crash and has lost all previous information he had retained on the class Graduates, including e-mail addresses and contact information.

Kevin now needs to rebuild his contact list for those OCS Portsea graduates of December 1964, or anyone who knows of them, please contact him on kayel@iprimus.com.au

ACPMH

The Australian Centre for Posttraumatic Mental Health (ACPMH) www.acpmh.unimelb.edu.au is a not-for-profit organisation dedicated to helping individuals, families, organisations and the community to understand, prevent and recover from the effects of trauma.

Research is an important part of this process and we are currently seeking people aged 18-55 to take part in a trial of the effectiveness of the Wellbeing Toolbox, www.

Family of Private James Bond

ACPMH

The Australian Centre for Posttraumatic Mental Health (ACPMH) www.acpmh.unimelb.edu.au is a not-for-profit organisation dedicated to helping individuals, families, organisations and the community to understand, prevent and recover from the effects of trauma.

Research is an important part of this process and we are currently seeking people aged 18-55 to take part in a trial of the effectiveness of the Wellbeing Toolbox, www.acpmh.unimelb.edu.au

New RASigs Website

As most are aware, 314124 WO2 (ret) Dave ‘Buddha’ Winch has had his own website for RASigs matters for many years.

He has recently had problems with his free host server and therefore has moved to a host server for which he now pays.

Old URL
home.vicnet.net.au/~rasigsau/

New URL
www.buddhas-place.com/

Please update your favourites list NOW.

Gallipoli Centenary Project

I seek your assistance in promoting awareness of the Gallipoli Centenary Project being completed by the City of Bunbury.

We challenge every community in Australia to undertake similar projects to identify, research, document and publish their local enlistees in the Great War 1914 – 1918.

The 2/13th Field Ambulance Association AIF

The original 13th Field Ambulance served in Egypt and France during the Great War 1914-18. Corporal Arthur Gilbert Forrester DCM MM was one of the mostly highly decorated Field Ambulance members in Australia.

The Association was formed at the end of the 1939-45 war, by Len McCarthy, who was subsequently the Secretary/Treasurer for forty years. Len’s book, ‘Medics at War’, is undoubtedly his enduring memorial and has done much to maintain and extend support. The 2/13th saw service in the Middle East and Borneo and our membership mainly consists of sons of Unit members. The passage of time is taking its toll. However, we still have a strong core group who are enthusiastic and committed to maintaining the Unit’s participation in the ANZAC Day commemoration.

Our present objective is to increase our numbers for the special celebrations in 2014/15. We meet twice a year, at a pre-ANZAC Day lunch and our annual reunion later in the year.

Some More Good Oil – The Gold Card

Eligibility for the Repatriation Health Card - for all conditions (GOLD) continues to be a confusing and often contentious issue.

Unfortunately there are a myriad of stories and myths about the "GOOD OLD GOLD CARD", who's eligible and what the entitlements are? When eligibility is confirmed, the GOLD CARD is issued and its benefits become apparent, there is a great deal of satisfaction and joy. Unfortunately for those who haven't qualified yet or don't qualify the myths seem to go on and sadly it causes a great deal of anxiety and stress. It's hoped that the following information alleviates some of those concerns.

Who can obtain a GOLD CARD?

Australian Veterans

A Gold Card is issued to Veterans of Australia's Defence Force (ADF) who

Under the auspices of the ADF

- Are former members of the ADF who have rendered "warlike service" on or after 1 July 2004.
- Under the MRCA, an "eligible young person" being the son, daughter and/or a dependent child of a serving or former ADF member who is entitled to compensation for the member's death on or after 1 July 2004; and
- Under the MRCA, a wholly dependent partner of a serving or former ADF member whose is entitled to compensation for the member's death on or after 1 July 2004; and
- Under the MRCA, an "eligible young person" being the son, daughter and/ or a dependent child of a serving or former ADF Member who is entitled to compensation for the member's death on or after 1 July 2004.
- Under the MRCA, a wholly dependent partner of a serving or former ADF member who is entitled to compensation for the member's death on or after 1 July 2004.

Under the auspices of the Military Rehabilitation and Compensation Act 2004 (MRCA):

- Are former Members of the ADF who are entitled to the Special Rate of Disability Pension known as the "SRDP", even if they have not chosen that pension;
- Are former members of the ADF with a rating of 60 or more impairment points for DV A accepted disabilities;
- Are former members of the ADF with a rating of 30 or more impairment points for DV A accepted disabilities and receiving any amount of service pension from the ADF but whose income and assets are below certain prescribed limits; and
- Former Members of the ADF who are 70 years of age and over who have rendered "warlike service" on or after 1 July 2004.

Under the auspices of the Safety Rehabilitation and Compensation Act 1988 (SRCA):

- Certain dependents of veterans are also eligible for a "GOLD CARD" if they are:

Under the VEA, War widows/ widowers and eligible dependants of a deceased Veteran if the veteran's death has been accepted as service related;
- As at 1 July 2008 under the VEA, a war widow whose partner was in receipt of Temporary Special Rate (TTI) and/ or Intermediate Rate of Pensions (IR) at the time of their death;
- Under the VEA, a child of a deceased veteran whose death was not war caused and who had operational service, if the child is not being cared for by the remaining parent;
- Under the VEA, an invalid son or daughter of a deceased veteran whose death has been accepted as war-caused, who had treatment before 6 June 1985. Please note that special criteria applies in these cases and the entitlement is not guaranteed;
- Under the MRCA, A wholly dependent partner of a serving or former ADF member who has undergone a medical examination, and
- Under the MRCA, an "eligible young person" being the son, daughter and/or a dependent child of a serving or former ADF Member who is entitled to compensation for the member's death on or after 1 July 2004.
- Under the MRCA, a wholly dependent partner of a serving or former ADF member who is entitled to compensation for the member's death on or after 1 July 2004;
- A veteran who served with a Commonwealth and/or allied force during World War 2 or in specified operational areas after World War 2 and were domiciled in Australia immediately prior to enlistment in the Commonwealth and/or Allied Force;
- A mariner who served on a Commonwealth or Allied ship during World War 2, if they or their dependants were residing in Australia for at least 12 months immediately prior to the commencement of their service on that ship.

Can I lose Eligibility for the "GOLD CARD"?

It is possible to lose eligibility for the "GOLD CARD" if your eligibility depends on anything that may change such as financial status, payments, impairment ratings, age or living arrangements; or
- If your eligibility for the "GOLD CARD" depends on something that cannot change, such as your past service, your widow(er)/partner status, blindness or amputations, then it cannot be affected.

Please note that the information contained in this article is only an overview and is no way complete nor should it be used as an authority. It is strongly recommended that for further information and advice on this matter that you contact DVA staff and seek their assistance. More information can also be obtained from the DVA website and their FactSheets, in particular Factsheet No HSV59 "Eligibility for the Repatriation Health Card- for All Conditions (GOLD)"

Breakfast at ANZAC House

The famous Friday Breakfast is at ANZAC House from 7.00 - 9.00 am for only $12.00!

Eggs (fried, poached or scrambled), tomato, mushroom, bacon, hash browns, baked beans and chipolatas, as well as toast, fruit platter, juice, coffee, jams and spreads and a selection of cereals are all available.

Come on down and support the Club that supports you!

Denis Connelly

Breakfast at ANZAC Club

RSL WA State Accountant, Mr Peter McGlade, is aiming to join WA's leading blood donors. To date, Peter has made 368 donations to the Red Cross Blood Bank over the past thirty years. If you wish to donate blood please call 13 14 95.
Ceremony Commemorates “The Living Memorial”

Curtin University in Perth, Western Australia, was recently the venue for a particularly special ceremony. Singaporean nurse, Janice Ong, celebrated the completion of her nursing course- the Bachelor of Science (Nursing) RN Conversion Programme - at the University, and ended her term as the latest recipient of the Australian Imperial Force (AIF) Malaya Nursing Scholarship. Janice performed very well in her studies, played an active part in campus activities, particularly in the mentoring of other overseas students, and contributed to the community via volunteer work. Janice is a wonderful ambassador for her country.

The AIF Malaya Nursing Scholarship is the official War Memorial of the 8th Australian Division and the AIF Malaya. This unique “living” memorial pays on-going and fitting tribute to the men of the AIF who served and perished in Malaya and Singapore and, in a tangible and permanent form, it shows how greatly the men of the AIF Malaya appreciated the help and friendship of the people of Malaya and Singapore who, at great risk to themselves, performed so many acts of kindness for the benefit of the Australian prisoners of war. The fund was set up in 1946 with soldiers from 8th Division and AIF Malaya subscribing directly to the fund. The Australian Red Cross also provided a significant initial contribution and has provided Trustee and administrative support since its inception.

To date the Scholarship has provided training to 66 nurses from both Singapore and Malaysia. The nursing training provided by the Scholarship has changed over the years in line with the changes in the nursing profession. For twenty five years now, Curtin University in Western Australia has contributed to the scholarship in the form of tuition fees for recipients and provided invaluable support to the students. Janice was the thirty fifth student trained at Curtin under this program.

Guests at this year’s event included AIF Scholarship Board Chairman, BRIGADIER (Retired) Konrad Erment, and other Board Members; Professor Rene Michael, from Curtin, and other Curtin staff members, representatives of prisoner of war groups, including Bob and Steffani Brackenbury from the Borneo POW Association, and representatives of other veterans groups, and the Australian Defence Force, and representatives of Australian Red Cross, including Mrs Di Buckles, Chairman of Red Cross in WA.

MAJOR GENERAL (Retired) Mike O’Brien delivered an informative keynote address on the history of this “living memorial”, which contained an insight into artwork created at Changi Camp by prisoners, and a tribute to Red Cross, in its role of recovery and repatriation of Australian prisoners of war, after their release.

Further information on the Scholarship is available from Ms Sheila Rod, at Australian Red Cross, on (08) 9225 1905. Further information on this release is available from Mr Kevin Poynton – Board Member, Australian Red Cross (WA Division) M: 0421 380 451

Boer War Memorial

A milestone in the building of a Boer War memorial beside ANZAC Parade in Canberra has been reached.

The first of four mounted troopers has been modelled in plasticine and will soon be upscaled in clay before going to a foundry to be cast in bronze. Upon completion the horse and rider will be 1.5 times life size.

Doing the work on behalf of the National Boer War Memorial Association is sculptor Louis Laumen. He has the credentials for the project having done the esteemed Saint Mary McKillop statue which sits at the steps of St Mary’s Cathedral in Sydney. When completed there will be four bronze horsemen emerging from bushland beside ANZAC Parade in Canberra. The site has already been set aside. The memorial will join others recognising the efforts of Australians during later conflicts including WWII and WWII.

A total of 23,000 Australians volunteered for the Boer War (1899 to 1902). One thousand died including the first women casualty; one of 60 nurses who went to South Africa.

The Governor His Excellency Malcolm McCusker AC CVO QC presided over the book launch and stated that the book would be highly beneficial to anyone interested in the defence of Australia during WWII.

Descendants of PM John Curtin (1941 - 1945) were in attendance.

Book Launch: John Curtin Prime Ministerial Library

State Vice President Denis Connelly was invited to attend the national book launch for The Battle for Australia by Bob Wurth.

Mr Wurth stated that researching for the book has given him a greater awareness of the peril faced by Australia during WWII.

The plasticine model of the first of four bronze troopers which will highlight the Boer War Memorial is for ANZAC Parade in Canberra. Photo by Louis Laumen.
Heart friendly foods

Fish and seafood - these are just a few of the nutritional superstar foods that help fight heart disease.

As researchers uncover evidence of the ‘healing’ role of natural compounds in foods, here is a list of the many foods now being hailed as valuable weapons in the war against heart disease. Make sure that you include these nutritional superstars in your daily diet.

**Fish and seafood**

Eat fish two to three times a week and you make a significant investment in your heart’s health. The high omega-3 fat content of fish, particularly the oily types such as mackerel, salmon and sardines, can help steady the heart beat, lower blood pressure and keep the blood free of clots.

Best of all, fish is low in kilojoules and cooks in minutes.

Fish doesn’t have to be fresh. Frozen fillets and canned salmon and sardines are also rich in omega-3s.

**Whole grain**

Less than a third of all Australians and New Zealanders eat enough wholegrain foods, such as grainy breads, brown rice and wholegrain cereals.

Eating more whole grains is one way to reduce your risk of heart disease and some cancers. Wholegrain foods have a lower glycaemic index (GI) than white or refined products so will keep blood sugars on an even keel and leave you feeling full for longer.

**Oats**

Eating around a cup (60–100 g) of rolled oats a day has been proved to have noticeable effects on blood cholesterol. Two factors are believed responsible.

First, oats are high in a type of soluble fibre called beta glucan which prevents the breakdown products of cholesterol from re-entering the system via the intestine, with the result that less cholesterol is made by the body. Second, oats are slowly absorbed into the bloodstream which lessens the glucose load. Therefore, include oats with your breakfast as porridge or an oat-based muesli and substitute oats or oat bran for some of the flour when baking muffins or breads.

**Garlic**

Garlic has a long medicinal history, having been used by the ancient Egyptians, Vikings and Chinese to ward off illness and stay in good health. Both Egyptians, Vikings and Chinese to ward off illness and stay in good health.

Garlic has a long medicinal history, having been used by the ancient Egyptians, Vikings and Chinese to ward off illness and stay in good health.

Garlic, small, shiny, dark-brown seeds about the size of sesame seeds, linseeds (also sold as flax seeds) are rich in two health promoting compounds. The first is alpha-linolenic acid (ALA), a plant version of the omega-3 oils found in fish. ALA has been linked to a reduced risk for heart disease and heart attack. The second is lignan, a type of plant oestrogen that lowers female oestrogen levels and can keep your heart in good shape – which is a similar action to that of soy.

Sprinkle the seeds over cereal, toss them through salads, add them to muffin dough and look for the soy-linseed breads. One or two tablespoons a day is all it takes to boost your intake.

**Linseeds**

Small, shiny, dark-brown seeds about the size of sesame seeds, linseeds (also sold as flax seeds) are rich in two health promoting compounds. The first is alpha-linolenic acid (ALA), a plant version of the omega-3 oils found in fish. ALA has been linked to a reduced risk for heart disease and heart attack. The second is lignan, a type of plant oestrogen that lowers female oestrogen levels and can keep your heart in good shape – which is a similar action to that of soy.

**Almonds, pecans, macadamias and other nuts**

Munching on a handful of nuts (around 50 g) is one of the strategies nutritionists recommend for your heart. Are you surprised? Most of us will be, as for years we’ve been told that nuts are too high in fat and will make us put on weight, and are certainly not part of a heart-smart diet.

However, a wave of studies over the past few years has changed the thinking on nuts. They’re now considered a healthy, energy-packed snack that will out-perform potato chips any way you look at it!

Despite having more than 50 per cent total fat content, the fat in nuts is heart-friendly. It is either predominantly monounsaturated or polyunsaturated, both of which will keep your cholesterol in check. Nuts also boast a good dose of vitamin E (a well established antioxidant), lots of fibre and arginine (an amino acid) – all key factors that lower the harmful LDL cholesterol or prevent oxygen damaging it.

In a CSIRO study in 1994, almonds were shown to lower blood cholesterol significantly. (But the catch is that they were eaten instead of some of the usual spreads and fatty foods, not as an extra.)

The best way to consume nuts is light-roasted but not salted. You can toss them through salads and stir-fries or use them, as we have in our recipes, in baking or as a crunchy topping.

**Soy beans**

Soy protein lowers the harmful LDL cholesterol and prevents artery ‘clogging’, according to more than 38 soy trials spanning 20 years. In fact, the evidence is so strong that in the United States of America, soy foods are now permitted to carry a health claim on their label saying soy can reduce the risk of heart disease.

Researchers think that the protein in soy binds cholesterol in the intestine and therefore prevents its absorption. But don’t forget that its isoflavones work as antioxidants and ‘artery flexors’ and, like oat bran, it contains a high level of fibre and is low in saturated fat.

To achieve heart benefits, you need to eat around 25 g of soy protein a day, which you can get in half a cup of cooked soy beans plus half a cup of soy bran cereal OR 2 cups of soy milk.

Tofu is a handy ingredient, too. You can use soft tofu as a cream substitute, or toss firm diced tofu into stir-fries and noodle soups.

**Tea**

People who regularly drink tea (green or black) are reported to have significantly lower risks of heart troubles than those who don’t. Tea’s powerful protective effects are believed to be due to flavonoids, substances shown to be strong antioxidants, even more so than beta carotene and vitamin E. It seems that tea flavonoids help maintain heart health by decreasing inflammation, lowering the tendency for clotting (an early factor in heart attacks) and by keeping the arteries more ‘elastic’. These effects are obtained regardless of whether you add milk or sugar. Best of all, if you take it black with no milk or sugar, tea has no kilojoloes and has the ability to both relax and revive you.

**Wine**

In modest amounts, red wine is good for your heart. Red wine has been the answer to the so called ‘French paradox’ – why the French have one of the lowest rates of heart disease in the world, despite their love of rich, cholesterol-laden fare such as pate, croissants and high-fat cheeses.

Wine’s secret is more than 50 phenolic compounds known as polyphenols. These act as antioxidants, reduce thickening of the arteries, and keep the blood ‘thin’ and smooth-flowing – an effect similar to aspirin.

Red wine, made with the skins and seeds of grapes, has nine to ten times more of these natural chemicals than white wine. One phenolic, resveratrol, has been intensively studied but others, such as epicatechin and quercetin, are emerging as important.

But all things in moderation – a glass a day is fine, but any more can put you at risk of other illnesses, such as breast cancer or liver disease.

**Olive oil**

Believed to be one of the reasons for the low rate of heart disease and general good health of those from the Mediterranean, olive oil is a rich source of monounsaturated fat and contains vitamin E. Extra virgin olive oil will also be rich in antioxidants.

**Sterol spreads**

Look out for the spreads (margarines) that are a functional food designed specifically for lowering cholesterol (brand names Logicol and Pro-activ). If you already use margarine, it’s worth swapping to a sterol-enriched spread – just two teaspoons on toast or sandwiches each day is all you need to see a drop in your cholesterol level.

Plant sterols are natural compounds found in vegetables, seeds, nuts and legumes but in low concentrations. They have a similar chemical structure to cholesterol yet have the ability to block its absorption from the digestive tract into the body. They are extracted from soy beans or wood pulp and then added as a concentrate to a spread – at a much higher concentration than we normally get from food.

**Psyllium**

Fine flakes that look like unprocessed wheat bran, psyllium fibre does two jobs – it keeps you regular and can lower your blood cholesterol (both total cholesterol and LDL cholesterol). It is the key ingredient of several laxative products sold by pharmacies. Sprinkle it over cereal and blend with flour when you bake muffins.

As researchers uncover evidence of the ‘healing’ role of natural compounds in foods, here is a list of the many foods now being hailed as valuable weapons in the war against heart disease. Make sure that you include these nutritional superstars in your daily diet.
Peaches

Best picked and eaten straight from the tree, these delicious stone fruit get better and better as the summer months pass. With dozens of varieties available, they come with either white or yellow flesh.

What’s in them
Antioxidants (which prevent damage to cells and help the immune system), phytochemicals (which can help reduce the risk of chronic diseases like cancer, heart disease and arthritis), carotenoids (for eye health), vitamin C and fibre.

Choosing the best
Never buy peaches with green skins. Fruit should be highly coloured, smell fragrant and have some give. “Freestone” fruit are best reserved for cooking.

How to store
It’s best to buy a ripe peach and eat it immediately. They soon start to soften at room temperature. You can keep them for one or two days in the fridge, but bring them to room temperature before you eat them raw.

Did you know?
A nectarine isn’t a cross between a peach and a plum, as some people believe. It’s a subspecies of the peach with just one recessive gene missing – the one that makes peaches fuzzy.

Smart tip
To peel a peach, run a knife down the natural groove of a freestone peach to the bowl of cold water and the skin should come away easily.

How to store
To peel a peach, run a knife down the natural groove of a freestone peach to the stone. Pour over boiling water and leave for a minute. Transfer the peach to a bowl of cold water and the skin should come away easily.

You could try...
- topping poached peach halves with a tiny sprinkle of cayenne pepper, a clove, a fragment of cinnamon stick, butter and brown sugar. Grill until bubbling, and serve with grilled pork or a duck breast.
- serving a peach and ice cream stir-fry with a ribbon of fried aromatic spice.

Green Beans

Green beans are the ideal pick-me-up when you need an appetising and healthy serve of “greens”. They’re cultivated all over the world and are grown through summer and into early autumn.

In Australia, the most common forms of beans we eat are green, broad, runner and wax beans – and at this time of the year it’s green beans that are at their best. Green beans come in many varieties, from the small “french” beans to the flat bean and the larger more common bean.

One of the best ways to cook beans is to simply trim the ends (some varieties may also need the “string” removed from the side) and blanch them in a pot of boiling water. Cook them for a few minutes or until they begin to turn an emerald green, then drain and toss in a little olive oil and lemon juice or garlicky butter. If you’re going to serve them cold in a salad, rinse them under running cold water so as to keep their vivid colour.

Beans are low in kilojoules and are full of dietary fibre, making them a perfect food if you’re trying to lower your cholesterol and blood pressure. They also have anti-inflammatory properties that can help those suffering from asthma or rheumatoid arthritis. They contain vitamins A, C and K, and are rich in iron. But the best thing about them is that they taste delicious and make a healthy side dish for rich meals or give a wonderful crunch to summer salads.

Reproduced from Reader’s Digest

Vitamin A

Vitamin A is essential for good vision, especially in dim light, and also helps prevent dry skin, hair and tissues.

One of the first vitamins to be discovered, this essential nutrient keeps your eyesight keen, your skin healthy and your immune system strong. An extra dose of vitamin A may help treat various eye problems, a number of skin disorders and a wide range of infections, including those of the respiratory tract.

Do I need to take a supplement?
Fortunately, Australians have access to an abundant supply of vitamin A, not just in their natural diets, but also through fortification of foods such as margarines or milk.

What if I don’t get enough?
Vitamin A deficiency isn’t common in the developed world, but milder cases do occur among the elderly, who often have vitamin-poor diets. Alcoholics and people with pancreatic disease are more susceptible to mild deficiency, as are women who experience heavy and prolonged menstrual periods. How much do I need?

The recommended dietary intake (RDI) for vitamin A is 750μgRE* or 2500IU* a day. Multivitamins supply vitamin A, often in the form of betacarotene, which is converted to vitamin A by the body if it needs it. Children should not take vitamin A supplements beyond what is contained in children’s multivitamins, because of an increased risk of toxicity.

Can I get too much?
Unless you eat a lot of liver or oily fish, it’s almost impossible to overdose on vitamin A from diet alone. However, you could be at risk if you take too many supplements – just two extra daily doses could cause ill effects. Early signs of vitamin A toxicity include dry skin and mucous membranes, rough or peeling skin, cracked lips, brittle nails, and dry hair or hair that falls out easily.

Ways to retain the goodness
- Some foods lose their vitamin A goodness if not prepared, cooked or stored correctly. You can prevent loss of vitamin A by:
  - Using raw fruit and vegetables whenever possible.
  - Keeping vegetables (except sweet potatoes) and fruit covered and refrigerated during storage.
  - Steaming vegetables and braising, baking or grilling meats. Avoid frying because vitamin A can escape into fat.

Magnesium

Magnesium is involved in energy production, nerve function and muscle relaxation as well as bone and tooth formation. Together with calcium and potassium, magnesium regulates heart rhythm and helps the body make and use insulin. Because it relaxes muscles, magnesium is used for sports injuries and fibromyalgia, and to ease PMS and menstrual cramps. Also, magnesium expands the airways – essential to treating asthma and bronchitis.

Do I need a supplement?
Foods such as whole grains, legumes, dark green leafy vegetables and shellfish are excellent sources of magnesium. Nuts are another good source – 28g of almonds provide 80mg of the mineral. However, if your diet is lacking some of these foods, you may need a supplement. It’s best to check with your doctor. When taking magnesium supplements, always ensure you also take a calcium supplement, sticking to a ratio of two parts calcium to one part magnesium. Imbalances in the amounts of these two minerals can reduce their benefits. Always take your supplement with a meal for better absorption.

How much do I need?
The recommended daily intake (RDI) is 320mg for men and 270mg for women. Higher doses are needed to prevent or treat specific conditions.

Can I get too much?
The most unmistakable signs of too much magnesium are diarrhoea and nausea. But particularly high doses can cause more serious side effects such as muscle weakness, lethargy, confusion and breathing difficulties. But these are rare, as the kidneys are usually efficient at eliminating excess amounts.

What happens if I get too little?
Even a moderate drop in magnesium can raise the risk of heart disease and diabetes. Severe deficiencies can lead to an irregular heartbeat, fatigue, muscle spasms, irritability, nervousness and confusion.
Fremantle-based for a good part of her World War One service, the diminutive cruiser HMAS Pioneer saw more action and fired more shots in anger than any other member of the fledgling Royal Australian Navy.

Built at the Chatham Dockyard for the Royal Navy on 16 December 1897 as a third-class protected cruiser, launched on 28 June 1899 and completed in November 1900.

Pioneer and her sister-ship Pysche were despatched to the Australian Squadron of the Royal Navy in October, 1905 and was presented to the Australian Government as a gift by the British Government  for service as a troopship.

The following day, 9 August, HMAS Pioneer sailed for Fremantle after being commissioned into the RAN in 1915.

Armed with 8 single 4” guns, eight 3-pdrs and two 14” torpedo tubes she was gifted to Australia in 1913 by Great Britain and was requested by the British Admiralty on 1 March 1913 and refitted at Garden Island, Sydney. Pysche was also commissioned into the RAN in 1915.

On 1 November 1914 the coal-burning Pioneer took up her position on station as part of the 38 transport ANZAC Convoy, but regrettably had to withdraw and was put into Fremantle with engine problems after the flagship HMAS Minotaur ordered her to do so. Thus she missed encountering the German raider Emden at Cocos Island, instead of HMAS Sydney (I).

After repairs, Pioneer resumed patrol duties until being ordered to sail from Fremantle on 9 January 1915 until she was requested by the British Admiralty to mount a blockade against the German raider SMS Konigsberg which had taken refuge in the East African Rufiji River.

Sailing from Fremantle via Cocos Islands and Diego Garcia, Pioneer joined the British naval force operating at Zanzibar on 6 February, 1915.

The rust streaked and weary Pioneer continued mundane patrol duties with three other British war ships, patrolling a northern section of the coast in the humid and steamy African conditions, the boredom being only broken later when she was directed to carry out a bombardment of a German force at Nazi Be and later the German colony capital, Dar-es-Salaam.

By the end of July 1915 HMAS Pioneer, in need of a refit was sent to Simonstown which was closer than sending her back to Fremantle.

One of Pioneer’s cutters which had headed for shore to obtain provisions came under rapid fire 100 metres from the shore wounding two ratings on 30 July; she missed encountering the German Minotaur ordered her to do so. Thus she missed encountering the German raider Emden at Cocos Island, instead of HMAS Sydney (I).

In June 1916 Pioneer took part in another bombardment, this time at Tanga, and on 30 July she took part in a second attack on Dar-es-Salem when she fired 100 4-inch rounds at the enemy in her last bombardment of the war.

In 12 months HMAS Pioneer had steamed 294,434 miles and was underway for 287 days during which time she consumed 7,496 tons of coal. She coaled an average 39 coaling’s from time she consumed 7,496 tons of coal. She coaled an average 39 coaling’s from time she consumed 7,496 tons of coal. She coaled an average 39 coaling’s from time she consumed 7,496 tons of coal.

Anzacs were less common than sending her back to Australia in August 1916 and she by-passed Fremantle, sailing via Colombo and Singapore en-route to Sydney, her active war service over.

This obsolete little warhorse had served Australia well. She was formally decommissioned three months later on 16 November, 1916 and her armament was removed.

Her final role was that of being reduced to the role of the tranquillity of an alongside stationary accommodation ship.

HMAS Pioneer Sets The Pace

ANZAC House will be closed from 3pm, Friday, 20 December 2013 and will reopen on Monday, 13 January 2014. ANZAC Club will commence service on Wednesday, 15 January 2014.

Christmas Luncheon at the ANZAC Club

Serving Traditional Christmas luncheon - tables decorated with all the trimmings (must be reserved)

Sudoku

The editors have included new puzzles to test both our younger and young at heart readers. Sudoku is included in this and future editions of ‘The Listening Post’.

Look upon this quiz as stopping the onward march of Alzheimer’s Disease!

Sudoku is a logic-based, combinatorial number-placement puzzle. The objective is to fill a 9x9 grid so that each column, each row, and each of the nine 3x3 boxes (also called blocks or regions) contains the digits from 1 to 9 only one time each. The puzzle setter provides a partially completed grid.

This second volume of Philip Dwyer’s outstanding biography sheds further fresh light on one of the great figures of modern history. After a meteoric rise, a military-political coup in 1799 established Napoleon Bonaparte in government, aged just thirty.

This meticulously researched study examines the man in power, from his brooding obsessions and capacity for violence, to his ability to inspire others and realise his visionary ideas.

One of the first truly modern politicians, Napoleon skilfully fashioned the image of himself that laid the foundation of the legend that endures to this day; Philip Dwyer's ambitious, definitive work separates myth from history to offer us anew one of history's most charismatic and able leaders.

‘Napoleon’s legend is so persistent that it confounds the historical reality in the popular imagination. He himself contributed much towards the construction of his own myth, from his youth even until after he fell from power, when, while in exile, he dictated his memoirs to a group of disciples who took down his every word in the hope that his version of history would prevail. Such were Napoleon’s skills as a chronicler that much of the legend is still unquestioningly accepted...’

Jonathan Glancey is well known as the former architecture and design correspondent of the Guardian and Independent newspapers. He is also a steam locomotive enthusiast and pilot. A frequent broadcaster, his books include Giants of Steam, the bestselling Spitefire: The Biography; Nagaland: A Journey to India's Forgotten Frontier; Tornado: 21st Century Steam, The Story of Architecture and The Train: An Illustrated History.

The British designed and built the Harrier, the most successful vertical take-off-and-landing aircraft ever made. Combining state-of-the-art fighter plane technology with a helicopter’s ability to land vertically the Harrier has played an indispensable role for the RAF and Royal Navy in a number of conflicts, most famously the Falklands War.

New Way to Treat Headaches

A new approach to the treatment of headaches which looks at coping with their triggers is the focus of new research at Griffith University.

Headache disorders are among the most common disorders of the nervous system, causing substantial disability in populations throughout the world. It has been estimated that globally, the percentage of the adult population with an active headache disorder are 46% for headache in general, 11% for migraine, 42% for tension type headache and 3% for chronic daily headache.

While the results of Cognitive Behavioural Therapy (CBT) have so far provided promising results for the common headache and migraine, it has not resulted in clinical improvement for all cases, says research leader Professor Paul Martin, from Griffith Health Institute’s Behavioural Basis of Health program.

Professor Martin has developed an approach designed to enable people to cope with the triggers of their headaches called Learning to Cope with Triggers (LCT).

“Our previous research has shown that it is not possible to completely avoid all potential headache triggers as they are so diverse and attempting to do so, could result in a restricted lifestyle.

“Also, attempts to avoid triggers—which could include food, noise, tiredness, stress etc—will result in no exposure to them or short exposure. This may lead to the capacity of the trigger to precipitate headaches being maintained or increased through a process of sensitisation or lack of opportunity for learning to cope with the trigger.”

With the aid of a $500,000 National Health and Medical Research Council grant, the Griffith team will show how a combination of CBT and LCT will help headache sufferers to become desensitised to triggers or build up a tolerance to them. This combination therapy will entail sufferers being asked to imagine themselves in stressful situations.

“For example, with someone whose headaches are triggered by stress we could help them to imagine themselves in stressful situations, the exposure of which would be very gradually and carefully increased.

“I would then help the person to manage this stressful situation using various coping strategies such as relaxation skills or learning how to recognise any negative thought processes associated with headache onset.”
